

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION BUSINESS LEADERSHIP SPECIALIZATION

The Business Leadership program is designed for Professional Studies for adult students. Students must be 21 years of age before entering the program. The intent is to allow students to complete the degree program in the context of their adult professional and personal lives.

The Business Leadership Program provides a broad general education with Biblical studies at the core, to prepare students to serve and to function successfully in business. The student overall objectives are to:

- Deliver effective written and oral business communications which are clear, logical, concise, grammatically correct, and clear to a target audience.
- Demonstrate the ability to recognize the underlying ethical, legal and sustainability implications inherent in business situations and apply that knowledge to make responsible decisions.
- Exhibit an understanding of the value of various forms of diversity in the business environment.
- Understand and predict the complexities of the cultural, economic, regulatory, demographic, and social environments as they impact business in a global economy.
- Use technology and analytical skills to make sound business decisions using the computer and qualitative and quantitative techniques.
- Demonstrate functional business knowledge in each of the core foundational disciplines of accounting, business law, economics, finance, marketing, and management.
