After enrolling for the Fall semester, students will be able to select their top three choices, specifying building/occupancy and roommate preference by visiting ru.edu/housing. The Dean of Students and Resident Life staff will do their best to accommodate each student based on the three choices submitted. In the case that none of the three choices are possible, the student will be contacted to discuss further plans. When a student is assigned a room, they will be notified via email.

If a student moves out of their dorm *before* the add/drop date, their charges will be prorated according to the amount of time spent in the dorm. If a student moves out of their dorm *after* the add/drop date, no refund will be given or applied to their account.

Each student will be charged a \$250 deposit that can be fully refunded at the end of the semester if they leave their dorm clean and free of damages. Any damage incurred by the student will be charged to their account.

All students living in campus housing are required to purchase a meal plan (minimum of 40 meals per semester).

All residents in the dormitories are subject to abide by the rules and regulations set forth in the most current edition of the Randall University Student Handbook.

If you have questions regarding this new process, please contact Ms. Jody Blackwell at 405-912-9463 or jblackwell@ru.edu.
