A Message From The President

Since 1959, our students have discovered the strength of a value added higher education. Our distinctly Christian commitment to the pursuit of truth, the development of the whole person, and the worthiness of Christian service provides both the foundation and the future focus of Hillsdale.

In fact, we are able to offer several advantages to you because of our well trained and highly committed faculty. Personalized instruction and a sense of identity can be yours without sacrificing the quality of education. In addition, there are numerous opportunities for campus involvement and leadership development.

We make no apologies for what we are. We believe that there is a place on our campus for those who are seeking a higher education in a Christian context.

Thank you for considering Hillsdale Free Will Baptist College. The choice of a college is among the most important choices you will make. Give us an opportunity to tell you what Hillsdale can do for you. My vision for Hillsdale is:

To create an educational environment where students are challenged to serve Christ with integrity, show respect without exception, and shoulder responsibility without excuse.

I believe these core values contribute to the purpose of equipping men and women to make a difference,

Timothy W. Eaton, Ph.D.
President

Box 328, Forest, Virginia 24551, Phone: 434-525-9539, Fax: 434-525-9538, and Website, www.tracs.org. Hillsdale is authorized by TRACS to offer certificates and appropriate associate, baccalaureate, and masters degrees.

The Transnational Association of Christian Colleges and Schools (TRACS) is recognized by both the United States Department of Education (USDE) www.ed.gov/admins/finaid/accred/accreditation-pg7.html and the Council for Higher Education Accreditation (CHEA) www.chea.org/pdf/CHEA_USDE_AllAccred.pdf as a national accrediting body for Christian institutions, colleges, universities, and seminaries. TRACS is a voluntary non-profit, self-governing organization that provides accreditation to Christian postsecondary institutions offering certificates, diplomas, and/or degrees through the doctorate. The geographic territory of TRACS currently consists of the United States and its territories. Transfer of credit is the prerogative of the receiving institution, and students who intend to transfer should consult that institution and work through their Hillsdale academic advisor to insure a smooth transition.

The College is approved by the State Accrediting Agency to offer training to eligible veterans and other persons under provision of Section 1775 (a) (1), USC 38. Approval has been given for training of students under the War Orphans Educational Assistance Act and for the training of foreign students.

HISTORY

Hillsdale Free Will Baptist College is named in honor of Hillsdale College in Hillsdale, Michigan, which began as a Free Will Baptist institution in 1840. (Hillsdale College in Michigan is no longer affiliated with Free Will Baptists.) Hillsdale Free Will Baptist College in Oklahoma continues the legacy of quality Christian education which began in Michigan over a century ago. Oklahoma Free Will Baptists had a vision for an institution of higher learning. That vision resulted in a Bible Institute which eventually developed into Hillsdale Free Will Baptist College. It began in the basement of the First Free Will Baptist Church in Tulsa in January, 1959. It was moved to Wagoner in the fall of 1959, to the Northwest Free Will Baptist Church in Oklahoma City in the fall of 1961, then a few miles south to the Capitol Hill Free Will Baptist Church in the fall of 1962. In 1966, the College began operating on its present campus.

State accreditation was gained in 1970 for the two-year program. The four-year B.A. in Theology was added in the fall of 1972 with the first graduating class in May, 1974. This program also received state accreditation allowing graduates the opportunity for admission into a graduate program. Students can now transfer the two-year A.A. degree to a senior college majoring in any field they desire, or they can continue at Hillsdale working for the baccalaureate degree. Candidacy status with the Transnational Association of Christian Colleges and Schools was gained in September of 1995, and for the first time Hillsdale was recognized by a national accrediting agency. Accreditation with TRACS followed on January 1, 1999. In 2002, Hillsdale received approval from TRACS to offer the masters degree.

LOCATION AND DESCRIPTION

Hillsdale is located on a 41-acre campus adjacent to Interstate 35, in the city of Moore. The College has a multimillion dollar plant which includes the John H. West Administration Building composed of classrooms and administrative offices; 4 student dormitories housing approximately 120 students and living quarters for the dormitory supervisor: Willey Hall, Barnard Hall, Friends Hall, and Yandell Hall; Oller Annex, a science lab/classroom; 16 single bedroom apartments: Randall Hall and Palmer Hall, 8 units each; an activities building consisting of a student center, classrooms, offices, fitness training center, and a gymnasium; the Geri Ann Hull Learning Resource Center/Classroom Building; a faculty duplex, and the Hillsdale House (missionary residence). The Bill J. and Alma Lou Barber Conference Center is on the east side of the quad (Administration, Library/Classroom, Activity, and Conference Center Building). The Barber Conference Center contains an 850 seat auditorium, a recital hall, a cafeteria, classrooms, offices, and Campus Bookstore.

POLICY ON PREVENTION OF ALCOHOL AND DRUG ABUSE ON CAMPUS AND IN THE WORKPLACE

Hillsdale Free Will Baptist College seeks to assure the health and well-being of all students and employees and to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. Those goals are damaged by illegal drug and alcohol use. Therefore, to further these goals it has been, and shall continue to be, the policy of Hillsdale Free Will Baptist College to prohibit the illegal use, possession, sale, delivery, and/or manufacture of drugs, or the possession, use, or sale of alcohol by any student or employee of the College.

The College's policies and programs are intended to emphasize:

1. the incompatibility of the use or sale of illegal drugs and alcohol with the goals of the College;
2. the legal consequences of involvement with illegal drugs and alcohol;
3. the medical implications of the use of illegal drugs and alcohol; and,
4. the ways in which illegal drugs and alcohol jeopardize an individual's present accomplishments and future opportunities with the College.

The College will establish and maintain a program of education designed to help all members of the College community avoid involvement with illegal drugs and alcohol.

The College will provide information about drug and alcohol counseling and rehabilitation services available to members of the College community. Persons who voluntarily avail themselves of College services shall be assured that applicable professional standards of confidentiality will be observed.

The College shall take all actions necessary, consistent with state and federal law and applicable College policy, to eliminate illegal drugs and alcohol from the college community. College policy on illegal drugs and alcohol use will be publicized in student and faculty handbooks, student orientation materials, letters to students and parents, residence hall meetings, and faculty and employee meetings.

Students, faculty members, administrators, and other employees are responsible as citizens for knowing about and complying with the provisions of Oklahoma law that makes it a crime to possess, sell, deliver, or manufacture drugs designated collectively as "controlled substances" in Title 63, Section 2-401 et seq of the Oklahoma Statutes. Any member of the College community who violates that law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings against the student or employee when the alleged conduct is deemed to affect the interest of the College.

Penalties will be imposed by Hillsdale Free Will Baptist College in accordance with procedural safeguards applicable to disciplinary action against students (see Student Handbook, "Enforcement of School Policies") and employees (see Employee Handbook).

This summary of the College policy on the prevention of alcohol and drug use on campus and in the workplace is based on the Drug-Free Workplace Act of 1988 (P.L. 100-690, Title V, Subtitle D) and the Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226). This policy is expressed in its entirety in the Student Handbook and Employee Handbook.

Our institution maintains the FERPA provision 99.31 that states disclosure to parents of students under 21 if the institution determines that the student has committed a violation of its drug or alcohol rules or policies.

POLICY OF NONDISCRIMINATION

Hillsdale Free Will Baptist College complies with all federal and state non-discrimination laws and is an equal opportunity institution. However, Hillsdale Free Will Baptist College reserves the right to, and does, maintain student educational and behavioral standards and employment requirements and standards based upon religious considerations consistent with its role and mission.

SEXUAL HARASSMENT

Hillsdale Free Will Baptist College is committed to maintaining high standards of professional ethics in which individuals do not abuse their personal authority

in interpersonal relationships. The College personnel and students should not condone actions and/or words which are regarded as sexual harassment.

Sexual harassment is defined as repeated and unwelcome sexual advances which interfere with an individual's work or academic environment; coercive behavior which threatens an employment or academic reprisal; promise of rewards contingent upon obtaining sexual favors; spreading false stories about a person's sexual conduct; or false accusations regarding sexual harassment.

Individuals who believe they have been objects of sexual harassment should advise the chief administrative officer of their work area; students should advise the Dean of Students.

CATALOG INFORMATION

It is the student's responsibility to have knowledge of the contents of the College Catalog, including requirements, policies, and regulations. The College reserves the right to revise curricula, policies, financial arrangements, etc., as such changes become necessary or desirable.

EXCEPTIONS TO POLICIES

Any exception to the policies in this Catalog must be addressed to the proper administrator: student services issues to the Director of Student Services, financial issues to the Vice President of Administration, and academic issues to the Vice President of Academic Affairs.

ADMISSIONS

Hillsdale Free Will Baptist College is committed to educating and preparing students to make a positive impact on the church and society. The moral character of all applicants must be good. The secondary prerequisite is academic achievement.

HIGH SCHOOL CURRICULAR REQUIREMENTS

Curricular requirements for regular admission to the College are as follows:

- 4 units English (Grammar, Composition, Literature)
- 2 units Lab Science (Biology, Chemistry, Physics, or lab science certified by the school district; General science with or without a lab may not be used to meet this requirement.)
- 3 units Mathematics (Algebra I, Algebra II, Math Analysis, Geometry, Trigonometry, Calculus)
- 3 units History and Citizenship Skills (including one unit of American History and two additional units from the subjects of History, Economics, Geography, Government, non-Western Culture)
- 3 Additional units of subjects listed above or selected from the following: Computer Science or Foreign Language.

Students who did not complete these required courses in high school will be assigned appropriate remedial work by the Assessment Committee. Curricular deficiencies must be remediated in the first 24 hours of enrollment.

In addition to the above requirements, the following subjects are recommended for college preparation:

- 2 additional units: fine arts (music, art, drama, and speech)
- 1 additional unit: lab science (as described above)
- 1 additional unit: mathematics (as described above)

PLANNING SUGGESTIONS

1. High school students are encouraged to take the ACT or SAT in the spring of their junior year and apply early in their senior year. Apply on-line at actstudent.org.
2. In January of the high school senior year, parents should consider filing the Free Application for Federal Student Aid (FAFSA) which is required for grants, loans, college work study, and most scholarships. Apply on-line at fafsa.edu.gov. Receipt of financial aid is dependent on acceptance for admission. ***Scholarship preference is given to those filing prior to March 1.***
3. Transfer students are encouraged to apply for admission at least three months prior to date of entry.

CANDIDATES FOR ADMISSION

1. Graduates of high school with a minimum of a 'C' average, or satisfactory scores on entrance exams,

American College Test (ACT) or Scholastic Aptitude Test (SAT).

2. Persons with a GED Certificate from a State Department of Education.
3. Transfer students from other colleges (see Students on Probation or Suspension).

Based on a review of credentials, students may be admitted on regular, conditional, or probationary admission status. Hillsdale Free Will Baptist College reserves the right to restrict or deny admission to any person, otherwise eligible, for reasons determined to be in the best interest of the institution by the officers thereof. This reserved right shall be administered in a manner strictly consistent with state and federal non-discrimination laws. See the following sections: Admission Status Restrictions, Freshman Admission Requirements, and Transfer Admission Requirements.

ADMISSION STATUS RESTRICTIONS

The College is aware that all students have not had the same opportunities for academic preparation and character formation. In recognition of extenuating circumstances, three types of admission have been established: regular, conditional, or probationary status.

Regular Admission: Granted to students who have met the criteria for admissions. The student is eligible for enrollment and subject to the academic placement recommendations of the Assessment Committee.

Conditional Admission: Granted to students who have not completed the required admission documents. A student admitted conditionally is given permission to enroll and complete only one semester. If the student is unable to submit the required admission documents or resolve the doubt discovered in the application process, he or she will not be permitted to enroll in courses beyond one semester at this institution.

Probationary Admission: Granted to students who do not meet the criteria for a candidate for regular admission, or who have an ACT Composite Score 18 or below, or who transfer from another college while on academic probation, or whose placement scores reflect serious doubt as to the student's ability to benefit and succeed on the college level. The student is limited to no more than 13 credit hours. Hillsdale Free Will Baptist College reserves the right to limit the number of students given probationary admission.

ADMISSION DOCUMENTS

Admission to all degree programs of Hillsdale requires the submission of the following documents:

1. **Application for Admission.** A \$20 non-refundable fee (fee waived for fall applications received before March 1) must accompany the application form. A \$25 non-refundable fee must accompany international student application forms.

2. **Transcripts.**

High School Transcript. Both freshmen and college transfer applicants with fewer than 24 semester credit hours must submit a high school transcript to the Admissions Office. Freshman applicants may be admitted on the basis of an incomplete but official transcript, which shows grades through at least 6 semesters. Upon graduation, the student should request that a final, official transcript be sent to Hillsdale, bearing the signature of a school official, graduation date, complete grade record, standardized test scores, school seal, and class rank when possible.

College Transcripts. Transfer applicants must request that an official transcript from each college or university attended be sent directly from the institution to the Hillsdale Admissions Office. New freshmen who have taken concurrent college work must also request an official transcript from each college or university attended. Any student who fails to report work taken at another institution is subject to immediate expulsion from the College.

3. **Test Scores.** New freshmen are expected to submit satisfactory scores on either the American College Test (ACT) or Scholastic Aptitude Test (SAT). While no minimum score is required for admission, a composite score of less than 18 will limit the student to probationary admission. Students without an entrance exam score may only be admitted on probation. Those who have participated in the ACT may be admitted conditionally; however, their status may be changed upon receipt of the scores. Transfer students with fewer than 24 semester hours are also required to participate in ACT testing on the Hillsdale campus or a national test site. Admission without college entrance exams may only be conditional or probationary. Students who submit SAT scores should understand that they will be converted to equivalent ACT scores. The equivalency information may be obtained from the Admissions Office upon request.

ENROLLMENT DOCUMENTS

1. **Student Health Record.** Students must complete a health form prior to enrollment. Transfers may submit a previous college health form.
2. **Biblical Foundations Student Statement.** The Biblical Foundations Statement of Hillsdale has been adopted by the Board of Trustees and each student seeking admission to the College must sign the statement acknowledging understanding and pledging to respect the statement while enrolled as a student.

BIBLICAL FOUNDATIONS

In order to be enrolled students must sign an agreement to respect the Biblical Foundations Student Statement of Hillsdale.

BIBLICAL FOUNDATIONS STUDENT STATEMENT

(A complete disclosure is found in [A Treatise of the Faith and Practices of Free Will Baptists, Inc.](#), 1992

edition and is available upon request from the College Executive Offices.)

1. **God** - The one true and living God revealed in nature as the creator, preserver, and righteous governor of the universe. He is revealed in Scripture as the triune God—Father, Son, and Holy Spirit, the One personal, perfect, infinitely wise and good God existing in three persons. He is the Redeemer, Savior, Sanctifier, and Judge of humanity, the only proper object of worship whom all intelligent creatures are to love, adore, and obey.

1.1 Father - He is infinite Spirit, the first person of the Godhead who is self-existent, eternal, unchangeable, everywhere present, all-knowing, all-powerful, independent, good, wise, holy, just, and merciful. There is nothing in the universe that can justly represent Him, for there is none like Him. He is the fountain of all perfection and happiness, exercising providential care and superintendence over all His creatures and governing the world in wisdom and mercy, according to the testimony of His Word. He is glorified by the whole creation and is worthy to be loved and served by all intelligence.

1.2 Son - Jesus Christ, the Son of God, is one with the Father in His divine nature. He is the second person of the Godhead and fills all the offices and performs the works of God. While possessing all divine perfections, He was miraculously conceived and born of the Virgin Mary and made of the seed of David according to the flesh, the only begotten of the Father, and the only incarnation of God. He is, therefore, God manifest in the flesh, in His divine nature truly God and in His human nature truly man, yet without sin. He is the mediator between God and humanity, once crucified; He is now risen and glorified, the ever present Savior and Lord.

1.3 Holy Spirit - The Holy Spirit, the third person of the Godhead, is one with the Father in His divine nature. The Bible ascribes to the Holy Spirit all the attributes of God. The Holy Spirit convicts humanity of its sin and draws all to Christ. The Holy Spirit indwells and fills the lives of all believers and endows them with spiritual gifts that are to be used in their personal service to God. There are no particular gifts that serve as visible evidence of the salvation or sanctification of the believer.

2. **The Bible** - The Scriptures of the Old and the New Testaments were written by holy men who were inspired by the Holy Spirit. They constitute God's full and complete word to humanity, the infallible rule and guide to Christian faith and practice. They are without error and trustworthy in all matters upon which they speak.

2.1 Special Creation - God created the universe in its present state by His spoken word and for His pleasure and glory and the enjoyment of His creatures.

2.2 Historicity - All historical matters in the Bible, including Genesis 1-11, are to be considered as an accurate, literal record.

3. **Sin** - Adam and Eve were created innocent, but by willful disobedience fell into a state of sin and condemnation. Their posterity, therefore, inherits a fallen nature of such tendencies that all who come to moral awareness, sin and become guilty before God.
4. **Redemption** - The Son of God, by His incarnation, life, sufferings, substitutionary death for sin, burial, and resurrection, effected for all a redemption from sin that is full and free and is the ground of salvation by faith. Jesus Christ died for our sins, was resurrected, and ascended to heaven, where He serves as the only mediator between God and humanity. Christ makes intercession for us until He comes again.
5. **Salvation** - Individuals, by virtue of any natural goodness and human work, cannot become the children of God. They are all dependent for salvation upon the freely-provided redemption of God that is effected through the blood of Christ, the regeneration of the believer through faith in Christ, and the operation of the Spirit. In salvation the free will of man is retained. All believers in Christ, who through grace persevere in holiness to the end of life, have promise of eternal salvation.
6. **Satan** - Satan, an evil being, is the evil accuser who slanders God to man and man to God. He is the tempter of humanity who continually solicits people to sin. He is to be resisted by submitting to God. Satan's final destiny is that of a conquered enemy who now abides under a perpetual curse, whereby he is finally to be cast alive into the lake of fire. There he is to be tormented forever, along with all who refuse repentance and faith in Jesus Christ.
7. **Last Things** - The Lord Jesus, who ascended on high and sits at the right hand of God, will bodily return to close the Gospel era, glorify His saints, and judge the world. At the last day there will be a bodily resurrection of the dead, and all humanity will be judged according to their works. Following the judgment, the righteous will enter into eternal life, and the wicked will be condemned to a state of endless punishment.

TRANSFER CREDIT

Transfer work from other post-secondary institutions, whose accrediting agency is listed by the U.S. Department of Education as a nationally recognized accrediting agency, will be evaluated to apply as credit on degrees awarded at the College. Courses approved for transfer must have been completed with passing grades. Associate degrees earned at approved Oklahoma institutions of higher education will be accepted in their entirety. In Oklahoma, credits earned by a student at an institution accredited by a recognized national accrediting agency may be reviewed on a course-by-course basis for possible transfer to an institution in The Oklahoma State System for Higher Education.

CONVERSION OF QUARTER HOURS TO SEMESTER HOURS

Hillsdale's standard for conversion of quarter hours to semester hours is 67% equivalency, rounded to the nearest whole credit.

DEGREE MILLS AND DIPLOMA MILLS

The following information is based on the publications of the Council for Higher Education Accreditation (CHEA) of which Hillsdale College is a member.

If the answers to many of the following questions are "yes," the degree provider under consideration may be a "mill":

- Can degrees be purchased?
- Is there a claim of accreditation when there is no evidence of this status?
- Is there a claim of accreditation from a questionable accrediting organization?
- Does the operation lack state or federal licensure or authority to operate?
- Is little if any attendance required of students, either online or in class?
- Are few assignments required for students to earn credits?
- Is a very short period of time required to earn a degree?
- Are degrees available based solely on experience or resume review?
- Are there few requirements for graduation?
- Does the operation fail to provide any information about a campus or business location or address and rely, e.g., only on a post office box?
- Does the operation fail to provide a list of its faculty and their qualifications?
- Does the operation have a name similar to other well-known colleges and universities?
- Does the operation make claims in its publications for which there is no evidence?

Hillsdale will not transfer academic credit from a known degree mill.

There are institutions that may not be accredited but are not degree mills. For example, the institution may be seeking accreditation, but the process is not complete. Or a legitimate institution may choose not to be accredited for reasons that do not relate to quality (see Unaccredited Institutions of Higher Education).

UNACCREDITED INSTITUTIONS OF HIGHER EDUCATION

Academic credits from an unaccredited institution of higher education will be considered through the Academic Affairs Committee as an exception to policy. However, the student must make a written request to the Vice President of Academic Affairs.

CREDIT FOR EXTRA-INSTITUTIONAL LEARNING

Students may receive credit for examinations (i.e., CLEP) or other extra-institutional learning. See "Credit for Extra-Institutional Learning" in the Academic section of this Catalog. Hillsdale recognizes that many students have been involved in significant learning beyond their formal education. Students are encouraged to maximize the opportunity to receive Credit for Extra-Institutional Learning in order to meet degree requirements and advance toward more demanding subject matter.

The credit received through the procedures in the "Credit for Extra-Institutional Learning" category will be transcribed with the grade of 'CR' for credit and no honor points will be calculated into the student's Grade Point Average (GPA). A fee of \$15/credit hour will be charged for transcribing Credit for Extra-Institutional Learning. For more information, see page 22 and the appendix.

REGISTRATION

All students are expected to register on the official registration dates each year. Special permission is required for carrying more than 17 hours per semester. Students with regular employment should curtail their academic load. No student may register after the last day to enroll. The College reserves the right to cancel any class with fewer than eight registrants.

ADMISSION TO CLASSES

Students are permitted to enter classes only after the completion of financial arrangements. A student who fails to complete such arrangements within two days after the official registration day will not be permitted to attend class.

EXCEPTIONS PROCEDURE

Any student who is denied admission may appeal the decision of the Admissions Office. The appeal must be presented in writing by the student to the Director of Admissions. Any pertinent information which the student believes may improve his/her position may be presented. The Director of Admissions will forward a recommendation to the Administrative Committee. The decision of the Administrative Committee will be final.

ASSESSMENT PLAN OUTLINE

Hillsdale believes in a value added approach to education. It is therefore extremely important to evaluate students in the following:

1. Entry level assessment - high school grades, curriculum strength, ACT scores, and placement tests.
2. Writing Skills assessment - ENGL 1213 English Composition II term paper, ENGL 3113 Writing and Research paper, and an upper level writing project in their major.
3. General Education assessment - each sophomore who has completed 46 credit hours or more is required to participate in the College Academic Achievement Proficiency (CAAP) Test. This provides a quantitative measure of the strength of the General Education program of the College.
4. Exit Assessment - exit interview, Student Satisfaction Survey, and Senior Portfolio or Recital.

Students will participate in assessment as required for admission, course enrollment, college classification, and degree requirements. Student Assessment Profiles, containing the individual student's assessment record, will be stored under the supervision of the Director of Assessment. Full-time and graduating students are required to participate in the annual assessment day held on the campus each spring semester.

COLLEGE COSTS AND BUSINESS INFORMATION

Hillsdale Free Will Baptist College desires to offer sound Christian education as a private institution at the lowest possible cost. To help reduce costs, the College, through the Admissions/Financial Aid Office, provides assistance to any student who may qualify for grants, loans, or scholarships. Registration will be considered incomplete and no student will be admitted to classes until arrangements for payment of the semester's expenses have been satisfactorily made. Registration for any semester can be completed only after arrangements have been made for any previous semester's costs (also see Withdrawals and Refunds).

INSTALLMENT PAYMENTS

All fees and charges are due and payable at enrollment. If a student cannot pay all charges at time of enrollment, arrangements may be made for monthly payments through the Hillsdale Tuition Management Plan. Any accounts not paid in full by the last day of classes of the term will be considered delinquent and are subject to collection efforts. In the event that a collection agency is obtained to collect the delinquent account, the student will be responsible for all collection fees (up to 33% in addition to the account balance).

A down payment is due no later than the first day of classes the remaining payments are due each month on the 15th of the month. Payments can be automatically drafted from either checking or savings accounts at any financial institution, or automatically charged to Visa or MasterCard. The payment plan is as follows:

Fall and Spring Semesters

First payment at enrollment: 20% of all Tuition and Fees less expected Financial Aid

Second payment: 25% of account balance less expected Financial Aid

Third payment: 33% of account balance less expected Financial Aid

Fourth payment: 50% of account balance

Fifth and final payment due on the last day of classes:
100% of account balance

Summer and Mini Terms

First payment at enrollment: 50% of account balance

Second payment: 100% of account balance

In the event that payments are not made in accord with the payment plan, the student's account will be considered past due. Students with past due accounts may have a hold placed on their student record, which will prohibit you from registering for classes and getting transcripts or diplomas.

Finance Charges

There is a 1.5% service charge per month (50 cent minimum) computed on the prior months' ending balance minus credits and other payments received. The service charge will be assessed on the first working day after the 15th of each month and is charged against the total unpaid account balance. An additional penalty of \$50.00 will be assessed at the end of the semester if all current tuition and fees have not been paid in full. Students who are eligible for State or Federal Financial Aid are exempt from finance charges, if the Financial Aid Office has verified student has completed and submitted all necessary forms and documentation to apply for Financial Aid. Once Financial Aid has been applied to the student's account, the student is subject to the payment plan and finance charges.

REGULATIONS ON STUDENT ACCOUNTS

FEDERAL STUDENT AID APPLICATION DEADLINES

The student is responsible for completion of the Free Application for Federal Student Aid (FAFSA) for the possible awarding of grants, loans, and scholarships. The student is obligated for the balance of the account. Should the student fail to complete the FAFSA by the semester deadline (Fall, October 1 or Spring, April 1), the student is responsible to pay the balance of the account. Failure to meet his/her account obligations will cause the beginning of disenrollment proceedings, and the student will be withdrawn from courses through the Academic Affairs Office/Administrative Committee.

UNPAID AND PAST DUE BALANCES

If a student is unable to maintain the payment arrangements or has a past due account balance over \$500 on the Hillsdale account, he/she will not be allowed to take finals or re-enroll.

STUDENT REFUNDS AND RETURN OF FUNDS

The refund policies listed below describe the financial obligations of students who withdraw from classes after the official beginning of a semester. Students are advised to read these refund policies carefully to determine which apply to their specific circumstances.

COMPLETE WITHDRAWALS FROM THE COLLEGE

(Forms for withdrawal from the college are available in the Office of the Registrar):

A. REFUND POLICY FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE NOT TITLE IV AID RECIPIENTS (See "B" below for definition of Title IV Aid Recipients)

Semester Refunds: Complete withdrawals from the institution during the first five days of classes in Fall and Spring semesters will result in full charges for courses added and full credit for courses dropped. Students who withdraw after the first five days of class (first week) will be refunded as follows: second week—80%, third week—60%, fourth week—40%, fifth week—20%, sixth week and thereafter—none. No refunds will be made after the refund period except as stipulated for enrollment of Title IV recipients.

Summer and Winter Term Refunds: Students who withdraw from Summer Session I, Summer Session II, or Winter Term will be refunded as follows: First day—100%, second day—80%, third day—60%, fourth day—40%, fifth day—20%, sixth day and thereafter—none. No refunds will be made after the refund period except as stipulated for enrollment of Title IV recipients.

Intensive Courses: No refunds will be made after the end of the first day of class, except as stipulated for enrollment of Title IV recipients.

B. REFUND REGULATIONS FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE TITLE IV AID RECIPIENTS:

Any student receiving Federal Title IV funds will be subject to the following policy regarding return of Federal Title IV funds:

- The College and the student will be required to return to the federal aid programs the amount of aid received that was in excess of the aid "earned" for the term period the student remained enrolled.
- The percentage of the semester completed is the percentage of aid earned: This is calculated by the number of days the student attended divided by the number of days in the payment period (i.e. semester). For example, if a student withdrew on the 20th day of a semester 107 days in length, the student would have only earned 19% of the aid he received ($20/107=0.19$).
- Students who remain enrolled through at least 60% of the payment period (semester) are considered to have earned 100% of the aid received and will not owe a repayment of Federal Title IV grant funds.
- If the college returns funds to the Title IV aid program, it could result in the student owing the College charges that were originally paid at the time of disbursement. Students may also be required to return funds released to them for personal expenses.
- Unearned Title IV funds will be returned within 45 days of the date the school determined the student withdrew (special rules apply to Post-Withdrawal Disbursements, see below). Monies returned to the Title IV aid programs will be applied first to loans to reduce the loan debt of the student and/or parent borrower. (The calculations will be made using the 'R2T4' form provided by the U.S. Department of Education.) The school will also notify the student, by mailing a copy of the notice to the lender, that the funds have been returned on his or her behalf.
- Post-Withdrawal Disbursements are determined through the use of the 'R2T4' form and the 'Post-Withdrawal Disbursements Tracking Sheet' provided by the U.S.

Department of Education. Title IV grant funds must be distributed within 45 days of the date the school determined the student withdrew. The disbursement of any loan funds requires the notification of the student within 30 days and acceptance by the student within 180 days of the withdrawal date determined by the school.

REFUND POLICY FOR DROPPING A PORTION OF YOUR SCHEDULE AFTER CLASSES BEGIN.

Changes in schedules during the first five days of classes in Fall and Spring semester, first day of classes in Summer Sessions or Winter Term will result in full charges for courses added and full credit for courses dropped. No refunds for dropped courses will be made after this time.

STUDENT REPAYMENTS OF THE OVERPAYMENT (UNEARNED) OF TITLE IV FUNDS

The student is obligated to return any Title IV overpayment in the same order that is required for schools. The institution will notify the student within 30 days of withdrawal when he or she has received an overpayment of Title IV funds.

- In the notification the school will inform the student that: (1) The student owes an overpayment of Title IV funds. (2) The student's eligibility for additional Title IV funds will end if the student fails to take positive action by the 45th day following the date the school sent or was required to send notification to the student. (3) There are three positive actions a student can take to extend his or her eligibility for Title IV funds beyond 45 days; repay the overpayment in full to the school, sign a repayment agreement (maximum of 24 months), or the student may sign a repayment agreement with the Department.
- If the student fails to take positive action within the 45 day response period, the student's overpayment will be reported to the NSLDS and referred to the borrower Services for collection.
- Overpayments of less than \$50 are not subject to repayment.

FINANCIAL AID INFORMATION

School Code 010266

Financial aid programs at Hillsdale offer a variety of ways for almost every student to secure funds to attend college. The basic objective of the financial aid programs is to provide assistance based on financial need. Financial aid consists of funds awarded to help meet the student's educational expenses. There are several types of aid offered at Hillsdale under federal and state programs. There are also a number of scholarships funded by the College, individuals, churches, and organizations.

Those who find financing their education a problem should seek information from the Financial Aid Counselor about student aid available through the following programs:

GRANTS:

- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grant
- Oklahoma Higher Learning Access Program
- Oklahoma Tuition Aid Grant
- Oklahoma Tuition Equalization Grant
- Tribal Higher Education Grants
- Vocational Rehabilitation Grants

LOANS:

- Federal Perkins Loan
- Federal Stafford Loan
- Federal Parental Loan for Undergraduate Students (PLUS)

EMPLOYMENT:

- Federal College Work Study

Application for each program is made by first completing the Free Application for Federal Student Aid (FAFSA). The FAFSA application is available online at www.fafsa.ed.gov. A student must:

- complete the form, designating Hillsdale Free Will Baptist College (010266) as the institution to receive the results.
- complete an online interview with VFAO (Virtual Financial Aid Office) which can be accessed from the Hillsdale College website www.hc.edu.
- apply for loans if desired. Contact Financial Aid Counselor for details.

Hillsdale Free Will Baptist College will receive the results and will make a final determination of financial aid available to the student after receiving all requested documents.

Please note: Eligibility for most financial aid is dependent on cumulative GPA. Failing classes may cause a student to lose eligibility for financial aid.

PREFERENCE DATES FOR APPLICATIONS

March 1	Full academic year (or fall semester only)
October 15	Spring semester

Because of the limited amount of funds in all aid programs, students applying by the above dates will be given first preference. Applicants submitting the required documents after these dates will be considered as funds are available.

VERIFICATION

To ensure fair and accurate awarding of Title IV funds, federal financial aid regulations require that Hillsdale Free Will Baptist College complete the verification process on all selected applicants or up to 30% of its financial aid applicant pool. The verification process is required by the Department of Education. Hillsdale carries out the verification process as required by the Department of Education. Other applicants will be selected on a case by case basis if we deem it necessary for accurate processing.

If you are selected for verification you will be notified by our Virtual Financial Aid Office with instructions outlining the forms and documents you will need to submit. The required forms can be printed from our Hillsdale website under Current Students, Financial Aid, Forms and Documents. Forms are also available in the Financial Aid office on our campus.

Once you are aware that you have been selected for verification you will need to complete the forms as soon as possible and return them along with all other required documents to the Hillsdale Financial Aid Office. We strongly recommend that verification forms and additional required documents be submitted no later than May 31. Failure to meet that deadline may delay the processing of the application and therefore reduce the amount of aid that is available.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS

To be eligible to receive state and federal financial aid, a student must demonstrate satisfactory academic progress as described below. The student's entire academic record, including all transfer credits and any credits received whether on aid or not, must be reviewed to determine if a student meets the standards set for satisfactory academic progress. All forms of financial aid awarded by this office are affected by this policy. The policies related to Federal Student Financial Aid are under the direction of the Higher Education Act of the United States Congress and the participation agreement between the College and the U.S. Department of Education. The standards for satisfactory academic progress for undergraduate financial aid applicants are as follows:

Undergraduate GPA Requirements:

- First semester students must maintain a minimum 1.70 GPA,
- Second semester students must maintain a minimum 1.80 GPA,

- Third semester students must maintain a minimum 1.90 GPA,

Grades Used in Determining Satisfactory Academic Progress]:

Grades of A, B, C, D, S, P, and CR for completed coursework will be counted toward Satisfactory Academic Progress. Grades of I, W, X, F, U, NG, NP, AW, and AU (audit) do not count as completed coursework for Satisfactory Progress. All credit hours attempted, as recorded on the transcript, will be used to determine satisfactory progress in relation to the degree sought.

Appeals for Grade Changes and Calculation of Satisfactory Academic Progress:

A students who believes he or she has grounds for appealing a course grade or the calculation of satisfactory progress may appeal in writing to the Chief Academic Officer (CAO), Vice President of Academic Affairs or Dean. The CAO will gather the academic affairs committee to review the written request of the student and the evidence for any rationale presented. The circumstances associated with the grade change request may be graded assignments, papers, tests, etc. The rationale for reversal of unsatisfactory academic progress should include: all circumstances that have had a negative effect on the student's ability to perform in the academic program (e.g., a medical conditions, disability, family disruptions, economic hardship, emotional changes, etc).

All courses repeated will count toward the calculation of 184 credit hours in the completion requirements (See the 'Repeat Courses' policy in the Academic Section of the Catalog for the complete policy).

Second Bachelor's Degree Students:

Students enrolled in a second bachelor's degree program are required to submit a Credit Summary and letter signed by an academic advisor which states how many hours and (projected) semesters are required to complete the second degree. These students are NOT eligible for funds from the Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (SEOG) Programs.

Students Not Eligible for Financial Aid:

1. Unclassified or Special non-degree seeking Students
2. Correspondence Classes
3. High school students taking courses while concurrently enrolled in high school

Probation, Suspension and Reinstatement

All applicants for financial aid will undergo evaluation of their academic progress at the end of each **Spring semester** to determine the status of their academic progress. Each category is explained below:

1) Good Standing means a student is making satisfactory academic progress and is eligible to continue to receive financial aid. A student in good standing must meet one of the following conditions:

- Students who completed the minimum number of hours required with the minimum GPA required.
- Students who were on financial aid probation and successfully completed the number of hours with the GPA required by their probation terms.
- Students who have met the requirements for reinstatement should check the Reinstatement of Financial Aid Eligibility below.

2) Financial Aid Probation means a student can continue to receive financial aid on a trial basis after being warned that they are not meeting academic standards. A student in Financial Aid Probation must meet one of the following conditions:

- Students who failed to complete the minimum number of hours required for the current year but maintained the required GPA. These students will automatically be placed on probation for the upcoming year without having to go through the academic appeal process.
- Students with 1 to 30 credit hours attempted **and** at least half of those hours earned **and** with a cumulative GPA from 1.70 to 1.99 will be automatically placed on probation.
- Students who, after having been suspended, submitted an academic appeal which was approved (see, academic appeal or grade change procedure).

3) Financial Aid Suspension means a student is not eligible to receive any financial aid, including loans, because he or she has failed to meet academic standards. A student in Financial Aid Suspension must meet one of the following conditions:

- Students who failed to meet minimum GPA requirements after the current year, even if minimum hours required were completed.
- Students who were on financial aid probation and failed to complete the minimum number of hours with the GPA required by their probation terms.

NOTE: Financial Aid suspension and probation are separate and apart from academic probation and suspension as defined by the college academic community.

4) Reinstatement of Financial Aid Eligibility means after having been suspended, a student has successfully completed the necessary requirements to regain eligibility for financial aid. Students who are eligible for reinstatement are:

- Students who have completed one semester with a minimum full-time enrollment and earned the minimum GPA without the assistance of any financial aid from this office. Reinstatement terms may be modified on an individual basis as determined by Financial Aid Services.

5) Hold for Grades means if an aid application for the upcoming year is received before the end of the current spring term, it will be held until spring grades are reviewed. Students who fall into this category are:

- Students who were on financial aid probation for the current year.
- Students who were in good standing but did not meet the minimum GPA requirements after the current fall semester.

"Hold for Grades" students will be notified after spring grades are reviewed if they are suspended. Students found to be in good standing or placed on probation will be notified. These students may lose funds from the following programs; tuition waivers, Federal SEOG, Federal Perkins Loan and Federal Work-Study because those funds had been awarded to other eligible students before spring grades were available.

To begin receiving payments for attendance, students must contact the Admissions Office and initiate the required documents. Students either making initial use of their educational benefits or re-applying after an interruption of at least one term can expect beginning VA payments as follows:

1. Request for advance payment (to be received by start of term) must be made with the Veteran Coordinator no less than thirty days prior to start of term.
2. Regular payments can be expected to start approximately eight weeks after term begins.

VA policy precludes pay for courses previously taken for credit and courses not leading to a degree. Additionally, courses withdrawn from can cause the VA to recover monies for that course back to start of term.

SCHOLARSHIPS

APPLICATION AND AWARD INFORMATION

*The scholarship committee will begin awarding scholarships in March. **All scholarship applications received by March 1 will be reviewed first.** Awards will only be made to students who have been admitted. Some of our scholarships have limited funds and will be given as people apply and qualify. In order to have the greatest opportunity to receive scholarships, a student should have completed his/her admissions file and financial aid application by March 1. Scholarship awards are final and may not be traded. Any combination of scholarships cannot exceed the cost of tuition. All scholarships awarded are contingent upon satisfactory completion of the semester and the availability of funds; early withdrawal will result in the loss of scholarships awarded and recalculation of the student's account. Exceptions to any of the guidelines must be approved by the Administrative Committee.*

PRESIDENT'S SCHOLARSHIP

The President's Scholarship is awarded to students who have an ACT score of 26 or higher and a 3.0 cumulative high school GPA. NEED-BASED SCHOLARSHIPS

Hillsdale offers a variety of need-based scholarships which are designed to assist students in completing degrees. In order to receive these, the student must first apply for financial aid available through federal and state programs. Need scholarships will not be awarded until the full amount of state and federal aid has been exhausted. Any scholarship funds provided by

churches, associations, and other organizations will also be taken into consideration in determining the student's financial aid package.

A student's financial aid package may not exceed the amount of financial need demonstrated, and all Hillsdale scholarship funds must be applied to the student's account. In accordance with federal regulations the student will not be over-awarded (financial assistance which exceeds the calculated need). Because a limited amount of funds is available, early application is suggested.

Students receiving need scholarships must enroll in at least 12 hours each semester, maintain a cumulative GPA of 2.5, and be making satisfactory progress toward a degree. If the cumulative GPA falls below 2.5, the scholarship will be canceled. If the cumulative GPA rises above 2.5 at a later time, the student may reapply and the scholarship will be restored if funds are available. It is the student's responsibility to reapply.

HILLSDALE JOB PROGRAM

Under the Hillsdale Job Program, students with demonstrated financial need will be allowed to apply for campus jobs. If hired for a campus job, the student's hourly wages (limited to \$500 each semester) will be applied to his or her account.

STUDENT LIFE

CAMPUS LIFE

Academic excellence and spiritual vigor combine to develop the total person. Emphasis on the personal relationship of the individual student with God forms the basis upon which a full and satisfying life can be built. This same emphasis places in proper perspective all of learning as well as all of life. Bible and missionary conferences, days of prayer, dormitory devotions, and chapel stimulate each student to seek God's will for his/her life. This spiritual emphasis provides the help needed to develop spiritual maturity. The guidelines outlined in the Student Handbook also seek to foster spiritual growth and development. The spiritual emphasis has one additional advantage: it improves the quality of all learning.

NOTIFICATION OF PARENTS

As a matter of Biblical principle, the College believes that the parent or legal guardian of the student should be involved in the student's educational program. At the same time, the College seeks to protect the privacy of the student as guaranteed by the Family Education and Privacy Act of 1974, as amended. The following policies will apply:

1. The College will provide information concerning major misconduct and disciplinary action taken, to the parent or legal guardian of single students who have not yet attained the age of 21 years, provided that the student is legally dependent upon the parent or legal guardian.
2. Students who are married, 21 or older, or who are legally independent may request in writing that information be provided to parents or guardians.

FACILITIES FOR THE PHYSICALLY HANDICAPPED

The Bill J. and Alma Lou Barber Conference Center, the Hull Library/Classroom Building, most faculty offices, Oller Science Lab, and cafeteria of the College are accessible to persons who are handicapped. Changes in teaching techniques occur continually as instructors discover new ways to aid handicapped students. The College is in the process of implementing a master plan for compliance with the Americans with Disabilities Act.

REASONABLE ACCOMMODATION POLICY

Hillsdale Free Will Baptist College will reasonably accommodate otherwise qualified individuals with a disability unless such accommodation would pose an undue hardship, or would result in a fundamental alteration in the nature of the service, program or activity, or in undue financial or administrative burdens. The term "reasonable accommodation" is used in its general sense in this policy to apply to employees, students and visitors. Student requests for reasonable accommodation should be addressed to the Student Services Office or the College Counselor.

A student must self-identify as an individual with a disability and provide appropriate diagnostic information

that substantiates the disability. The College Counselor will then assess the impact of the disability on the student's academic program and record the required academic accommodations in a memo to the instructor. All diagnostic information is confidential and therefore memos can be sent only at the student's request.

Individuals who have complaints alleging discriminations based upon a disability may file them with the Director of Student Services.

CHAPEL AND CHRISTIAN SERVICE

Hillsdale is a Christian school, and chapel attendance is required of all full-time students. Messages are brought by faculty, students, and visiting speakers. Also, programs are presented by student organizations. Christian Service participation is expected of all students in some manner. A passing chapel grade is a prerequisite for extracurricular activities, public relations traveling groups, intercollegiate sports, and any academic honors.

STUDENT CONDUCT

Active involvement in the local church is available to students. Visitation, teaching opportunities, evangelistic outreach, and other ministries enable the student to put into practice that which is only theory in the classroom. Service in community organizations and benevolent groups is encouraged as a part of Christian citizenship.

All students of the College are expected to maintain the highest standards of moral conduct and concern for the well-being and rights of their fellow students. Plagiarism and cheating are considered serious enough offenses to warrant a failing grade for any course in which they have been practiced; repeated offense can result in the student's suspension or expulsion from the College. Gambling, homosexual activity, sexual activity outside of marriage, sexual harassment, the use or possession of alcoholic beverages, non-prescription narcotics and drugs, or hallucinogenic drugs, and use or possession of firearms or fireworks are expressly forbidden.

The Student Handbook provides detailed statements of the College policies, procedures and penalties relating to the campus citizenship. The handbook is provided free of charge to all enrolled students. Copies are available in the Student Service Office or the Office of Admissions.

CAMPUS ORGANIZATIONS

To foster in the student a sense of responsibility and participation, various groups function on the campus. One of these organizations is the Student Senate, a vital force in student life as it functions as liaison between the student body and the faculty. The Student Senate is composed of a president, vice president, secretary-treasurer, and chaplain who are elected by the student body, plus elected representatives from each campus organization.

The Ironmen Fellowship is composed of those students who are preparing for the ministry. This organization meets for fellowship and help on the problems of the ministry. The Student Mission Fellowship promotes missionary interest among students by sponsoring prayer, special missionary services, and mission trips. It also provides fellowship for those who intend to enter missionary service. Women's Fellowship is focused on the unique opportunities and contributions of Christian women to the church.

Literary Societies exist to provide a structure for student life activity. These societies promote the intramural athletic activities, plan special programs, cooperate in joint projects, stimulate academic interests, and form smaller units of fellowship. Recognition is given at the end of each school year to the societies for their contribution to student life. Three societies are open for men and three for women students. Those open to men are Delta Tau Chi, Gamma Epsilon Tau, Alpha Epsilon Chi. Those open to women are Louisa May Alcott, Elizabeth Barrett Browning, and Elisabeth Elliot Leitch.

CULTURAL DEVELOPMENT

Students are encouraged to participate in cultural experiences each semester through the College, civic presentations, or other area universities. These opportunities will be posted by the Student Services Office, and each full-time student is encouraged to attend at least two events during both the fall and spring semesters.

ACADEMIC GUIDANCE

Each student is oriented into the College schedule by means of evaluation tests and guidance on how to study and adapt to college life. Every student is assigned to a faculty advisor. The academic progress of the student is evaluated at mid-term and the student is advised of any unsatisfactory achievement. Individual counseling is part of the guidance program and is available for the students in regard to work, personal problems, religious experiences, or other matters.

ACADEMIC INTERVENTION

Any student who is considered at risk academically may be placed in the Academic Intervention Program. The student will be mentored by an appointed faculty member and involved in the various academic helps available. A student who receives lower than a 16 composite score on the ACT will be placed in the program as a condition for admittance.

ASSESSMENT

Determining to what extent students are actually benefiting from their experiences is vital in maintaining the accountability of both the faculty and the College. To this end, students will be required to participate in quantitative and qualitative measures of academic achievement. Fees will fund assessment activities (See the Assessment Plan Outline).

EXCEPTIONS TO POLICIES

Any exception to the policies in this Catalog must be addressed to the proper administrator: student services issues to the Director of Student Services, financial issues to the Vice President of Administration, and academic issues to the Vice President of Academic Affairs.

It is the policy of Hillsdale to update the statistics each year following U.S. Department of Education reporting period during the fall semester.

PROCEDURES FOR THE RELEASE OF INFORMATION ABOUT STUDENTS

Information about students and former students gathered by Hillsdale FWB College is of two types: (1) directory, and (2) confidential. Any office gathering such information, and/or having custody of it, shall release it only in accordance with this policy.

When a student enters Hillsdale and furnishes data required for academic and personal records, there is an implicit and justifiable assumption of trust placed in the College as custodian of such information. This relationship continues with regard to any data subsequently generated during the student's enrollment.

While Hillsdale FWB College fully acknowledges the student's rights of privacy concerning this information, it also recognizes that certain information is part of the public record and may be released for legitimate purposes.

With these considerations in mind, the College adopts the following policy concerning the release of information contained in student records:

Directory Information: This is information which routinely appears in student directories and alumni publications and may be freely released. Upon written request by the student, this information will be treated as confidential and released only with the student's written consent. Forms for withholding student

The file contents are made available only to those persons properly authorized to receive confidential information and only in consultation with a professional staff member in the Office of Admissions and Records.

Although the permanent academic record is a cumulative record compiled by the student, the Registrar is the officer of the institution charged with the responsibility of its accuracy and safekeeping. Accordingly, the student folder and the permanent cumulative academic record are not available to anyone for removal from the Registrar's assigned depository.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- (1) The right to inspect and review the student's education records within 45 days of the day the College receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be

inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- (2) The right to request the amendment of the student's education records that the student believes is inaccurate.

Students may ask the College to amend a record that they believe is inaccurate. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

ACADEMIC INFORMATION

CLASSIFICATION OF STUDENTS

Freshmen: Students having fewer than 30 semester hours.

Sophomores: Students having at least 30 semester hours.

Juniors: Students having at least 60 semester hours.

Seniors: Students having at least 90 semester hours. (Senior status does not necessarily assure graduation with that class.)

Special: Students having a baccalaureate degree or those not wishing to pursue a degree program.

ACADEMIC PROGRESS

All students (except special students) are expected to be making academic progress which will allow them to complete their courses of study within a reasonable time. All students are expected to maintain a minimum Grade Point Average of 1.70 the first semester. For each succeeding semester, the student must maintain the following cumulative grade point averages: 1.80 second semester, 1.90 third semester, 2.0 all succeeding semesters. Students who fail to maintain these minimum grade point averages will be placed on academic warning. If the Grade Point Average is not improved, the student will be placed on academic probation for a semester. Failure to improve the Grade Point Average following academic probation may result in academic suspension. The Dean will make this decision based on the current performance of the student. Any appeal of academic suspension will be referred to the Academic Affairs Committee of the College. **NOTE:** Any student whose semester Grade Point Average falls below academic standards (while his/her Cumulative GPA remains within standards) will be warned by letter that failure to improve grades may result in substandard Cumulative GPA and formal notification on transcript of academic restrictions.

CLASS ATTENDANCE

1. Regular, punctual class attendance is essential for the satisfactory completion of a course. The student is expected, therefore, to attend all sessions of the courses in which he/she is enrolled.
2. All absences are recorded and an absence does not excuse any student from any required work.
3. Students who are involved in extracurricular activities and/or public relations for the College may receive excused absences which entitle the student to make up any work missed. In order for an absence to be considered excused, the Activity Absence Form must be completed and presented to the instructor at least one class period prior to the absence. Excessive absences, even though they are excused, may affect the student's performance in the class.
4. Students are responsible for the content of any course in which they are officially enrolled. Individual instructors determine the degree that tardiness and absence from class affect students' grades. Instructors must detail those requirements

and penalties in the class syllabus and receive approval for them from the Vice President of Academic Affairs. Students who exceed the number of absences or otherwise fail to meet attendance policies will experience the consequences outlined by the instructor in the course syllabus.

NO PASS, NO PLAY RULE

Periodic instructor reports are collected by the Registrar's Office from the faculty. The instructor identifies students who are performing unsatisfactorily in class. Unsatisfactory is defined as a grade lower than a 'C.' The major reason for the unsatisfactory performance will also be listed, such as Excessive Absences, Incomplete Work, Low Test Scores, Poor Assignment, or Poor Project Performance.

Participation in extracurricular activities (Inter-collegiate sports, Chapel Band, Hillsdale Players, NewLife, ministerial work, preaching), or any activity in which a student represents the College, may be affected by the unsatisfactory progress reports. Any student making unsatisfactory progress will be assigned to the Academic Intervention Program. Any student who is uncooperative or is making unsatisfactory progress in more than one class may be placed on suspension by the Dean. Students who are suspended by the Dean from extracurricular activities will not be allowed to travel, perform, or participate in any group/team activity other than practice.

ACADEMIC DISHONESTY

Guiding Principle: No Hillsdale student shall commit any act of academic dishonesty in order to advance his/her own academic performance or to impede or advance the academic progress of others.

Academic dishonesty in any form will not be tolerated by the college community. This specifically includes cheating, plagiarism (including copying from the internet), fabrication, fraud, destruction of property, and bribery or intimidation, as well as assisting others or attempting to engage in such acts. When the instructor has evidence indicating that an act of academic dishonesty has occurred, the instructor should complete an Academic Dishonesty Documentation Form and submit it with the supporting documentation to the Vice President of Academic Affairs.

If the instructor determines that academic dishonesty has occurred, the instructor has the authority to administer either of the following:

1. Record a "zero" for the assignment or test in question.
2. Assign a grade of "F" for the course.

The student has the right to appeal to the Vice President of Academic Affairs and to present evidence on his/her behalf. This appeal should be filed within 48 hours of

the time when the student receives the instructor's decision. The Vice President of Academic Affairs will notify the student of the decision.

In cases of extreme or repeated incidents of academic dishonesty, the Vice President of Academic Affairs has the authority to determine appropriate punishment. This may include suspension or expulsion from the college. The Vice President of Academic Affairs may form a faculty committee to investigate and make recommendations concerning disciplinary action to be taken.

FRAUDULENT TRANSCRIPTS AND DIPLOMAS

Upon verification of a fraudulent transcript or diploma, a certified letter will be sent to the student stating that a disciplinary hold has been placed on the individual's records prohibiting future enrollments. A notation of academic dishonesty will be added to the student's transcript, and transcripts will only be sent to a university or agency, but not directly to the student.

REPEAT COURSES

A student shall have the prerogative to repeat courses and have only the second grade earned, even if it is lower than the first grade, count in the calculation of the retention/graduation GPA, up to a maximum of four courses, but not to exceed 18 hours, in the courses in which the original grade earned was a "D" or "F". Both attempts shall be recorded on the transcript with the earned grade for each listed in the semester earned. If a student repeats an individual course more than once, all grades earned, with the exception of the first, are used to calculate the retention/graduation GPA. Students repeating courses above the first four courses or 18 credit hours of "D" or "F" repeated may do so with the original grades and repeat grades averaged.

GRADING SYSTEM (See Grade Point Average)

GRADE	MEANING	POINTS
A	Excellent	4
B	Superior	3
C	Average	2
D	Below Average	1
F	Failure	0
P	Passing	0
S	Satisfactory	0
U	Unsatisfactory	0
CR	Credit, Extra-Institutional Learning	0
W	Official Withdrawal	0
AW	Administrative Withdrawal	0
X	No credit, excessive absences	0
I	Incomplete	0
NG	No Grade Reported	
NP	In Progress	

WITHDRAWALS

A student who wishes to withdraw from a course must obtain the proper form from his/her advisor, have it signed by the instructor, and submit it to the Registrar's

Office. If the withdrawal is approved, the student will receive a grade of 'W' which is not computed in the GPA. Withdrawals will not be approved during the last six weeks of a semester. Exceptions in cases of serious illness or other cause beyond the student's control need to be appealed to the Academic Affairs Committee. Withdrawals completed prior to the last day to enroll will not be recorded on the student's transcript. A student who ceases to attend class without officially withdrawing will receive either an 'X' or an 'F' at the discretion of the instructor (see Calendar of Events, "Last Day to Withdraw from Classes"). Students who pre-enroll but fail to attend or fulfill their financial obligations may be administratively withdrawn and receive the grade of 'AW.'

INCOMPLETE GRADES

The grade 'I' (Incomplete) means that a part of the course work was not completed and must be finished within the designated time frame. If an incomplete is granted, students have six weeks after the end of the course to complete the work. To be awarded the 'I' grade, the student must present valid reasons to the instructor for not having completed the course requirements and submit a "Request for Grade of Incomplete Form." The instructor and Academic Dean will determine if an 'I' grade will be granted. If the incomplete work is not satisfactorily completed by the deadline, the grade originally submitted by the instructor at the conclusion of the course/semester will become the final grade. If the incomplete work is completed to the instructor's satisfaction by the end of the six weeks, the instructor will submit a Grade Change. Any requests for exceptions to this policy must be submitted in writing to the Academic Affairs Committee.

GRADE DISPUTES

A student who disputes the accuracy of a course grade has ninety (90) days from the end of the term in which the grade was issued to submit an appeal. A letter disputing a course grade is to be addressed to the Registrar of Hillsdale Free Will Baptist College.

GRADE POINTS (also known as Honor Points) AND GRADE POINT AVERAGE (GPA)

The grade point is the basis for computing the student's grade point average (see Grading System). It represents the average number of grade points per hour earned by the student for a given term or number of terms. It is calculated by dividing the total number of grade points earned by the total number of hours for which the student has been registered. For example, a student registered for thirty credit hours and earning seventy-five grade points would have a grade point average of 2.50. The marks 'AW', 'CR', 'I', 'P', 'S', 'U', 'W', and 'X' do not give grade points, and courses so marked are omitted from grade point average computations. An 'F' is included in grade point averages as a zero.

TRANSCRIPTS

Every student is entitled to one official transcript of his/her course work provided all financial obligations to the College have been paid. Transcripts will be processed in three to five business days. A charge of \$5 will be made for any transcript other than the first. The Registrar's Office will charge an additional fee of \$5 per transcript for rush 24-hour turnaround service (when available).

ACADEMIC CALENDAR

The College operates on a two-semester basis per year with each semester running approximately sixteen weeks. The fall semester begins in August with the spring semester beginning in January. Summer Session I begins the day after spring semester finals and ends June 30. Summer Session II begins July 1 and ends the day before the first day of fall semester classes. Winter Intersession begins the day after fall semester finals and ends the day before the first day of class in the spring semester.

CREDIT FOR EXTRA-INSTITUTIONAL LEARNING

Hillsdale recognizes that many students have been involved in significant learning beyond their formal education. Students are encouraged to maximize the opportunity to receive Credit for Extra-Institutional Learning in order to meet degree requirements and advance toward more demanding subject matter.

No credit in this category is granted toward a graduate degree. The granting of undergraduate credit based on prior learning is to be done in compliance with the general guidelines of the Council on Adult and Experiential Learning (CAEL). The amount of credit for extra-institutional learning that may be applied toward a degree is subject to the graduation requirements of the College. The credit allowed is limited to 25% of the credits required for a degree or 32 semester credit hours, whichever is smaller.

The credit received through the procedures in the "Credit for Extra-Institutional Learning" category will be transcribed with the grade of 'CR' for credit and no honor points will be calculated into the student's Grade Point Average (GPA). A fee of \$15/credit hour will be charged for transcribing Credit for Extra-Institutional Learning.

Credit for Extra-Institutional Learning will include the abbreviation of the source of evaluation as follows: Advanced Standing (AS); Advanced Placement Program (APP) administered by the College Board; College Level Examination Program (CLEP); American Council of Education (ACE) International Baccalaureate Program (IB); Transfer of Advanced Standing (TAS) awarded by another institution of higher education; recommendations for non-collegiate learning experiences; military credit (MC) as verified by the DD Form 214, DD Form 295, or other official military documents; Defense Activity for Non-Traditional Education Support (DANTES);

and Credit by Demonstrated Competency (CDC). When a course is in a discipline not offered at Hillsdale, the prefix TRAN is used to denote elective transfer credit. See appendix for credit awarded for CLEP, AP, and IB scores. The student may contact the Registrar's Office for details on how to apply for extra-institutional learning credit.

DISTANCE LEARNING

This program allows the student to study by correspondence. A significant portion of work done in Distance Learning may apply to a degree program on campus. This department is designed to offer college credit for off-campus studies. College credit is given for Distance Learning when regular requirements are met. Full time students may not enroll in more than one Distance Learning course at a time nor in a course that is offered during the semester. See page 79 for more details.

LEARNING RESOURCE CENTER (LRC) – LIBRARY

The purpose of Hillsdale's Learning Resource Center is to serve as an academic library supporting the curricular needs of students and faculty. The LRC is continuing to expand its resources to support the curriculum and promote student academic success. Information about policies and services is available at the library website www.library.hc.edu or at the library circulation desk. Library hours are posted.

NUMBERING OF COURSES

Course Numbers: Numbers of four digits are used to designate courses. The first digit represents the classification: Remedial, 0000; Freshman, 1000; Sophomore, 2000; Junior, 3000; Senior, 4000; and Graduate, 5000 or above. The last digit is the number of credit hours the student may earn for the course (see Course Descriptions).

CURRICULA INFORMATION

The classical world was rooted in two disciplines of intellectual pursuit. The trivium (commonly known as the arts and humanities in modern terminology) is based on language: grammar, logic, and rhetoric. The

quadrivium deals with natural phenomena and consists of mathematics, physics, science, and rhythm (music, which in modern practice has been shifted into the Arts). The educational approach of studying across these disciplines became known as the Liberal Arts.

In modern practice the disciplines have been expanded from the original seven. At Hillsdale the Arts include Bible, Christian ministries, communication, drama, English, humanities, language, literature, missions, music, philosophy, religion, theology, and video production. The Sciences encompass both the social and natural sciences. At Hillsdale the areas included in the sciences are business, computer science, economics, education, health promotion and exercise science, history, mathematics, political science, psychology, science, sociology, and statistics.

GENERAL DEGREE INFORMATION

A student who completes the general education core curriculum may complete an Associate in Arts degree, a Bachelor of Arts degree, or a Bachelor of Science degree by finishing the requirements established by the College. The bachelor degrees consist of the general education requirements; religious studies core curriculum; and an emphasis or major area of study.

Note: Detailed requirements are listed in the following section on undergraduate degree programs, and in the Adult Studies and Graduate catalogs. Each is designed to allow the student to use the layout as a guide or checklist in pursuing a degree.

DOUBLE MAJORS AND SECOND DEGREES

If a student is working concurrently on two majors within the same degree plan (Bachelor of Arts or Bachelor of Science), that student is considered to be working on a double major. Only one diploma will be issued for students completing a double major.

If a student is working concurrently on two majors in separate degree plans (Bachelor of Arts and Bachelor of Science), that student is considered to be working on a second degree. When the student is working on two degrees concurrently, he/she must complete the general education requirements for each degree.

A transfer or returning student who is working on a second degree subsequent to the completion of his/her first bachelor degree must complete at least thirty (30) semester credit hours in residence at Hillsdale and the major requirements for the degree. The first bachelor degree is considered to meet the general education requirements for the second degree.

GENERAL EDUCATION CORE CURRICULUM

The following general education core curriculum requirements are basic to any program of study the student may choose as an area of concentration for the Associate in Arts degree. The following courses are designed to implement the general education objective of the College and conform to the articulation agreement adopted by the Oklahoma State Regents for Higher Education.

The Associate in Arts degree is a program designed to lead the student toward his/her educational goal. A faculty advisor will work with the student to help correlate his/her associate degree work with a bachelor degree program at Hillsdale or another senior college of the student's choice. In Oklahoma, credits earned by a student at an institution accredited by a recognized national accrediting agency may be reviewed on a course-by-course basis for possible transfer to an institution in The Oklahoma State System for Higher Education.

ASSOCIATE IN ARTS DEGREE

Each student is required to complete the general education core curriculum listed below. In addition, the student will choose, in consultation with his/her advisor, elective courses to increase professional skills, educational competencies, personal enrichment, and spiritual development. It is important that the student declares an area of concentration or identifies the institution and/or the desired degree program. This allows the faculty advisor to assist in tailoring a program which will facilitate transfer and to prepare the student for the future. *The student is ultimately responsible for his/her course selection in meeting the graduation requirements.*

Associate in Arts Aim:

The aim of the Associate in Arts degree is to provide a broad general education for Christians that will facilitate transfer and prepare the student for the future. The general objectives of this degree are as follows:

DISTANCE LEARNING PROGRAM

PURPOSE OF DISTANCE LEARNING

The primary purpose of Distance Learning is to make available to the non-resident student courses similar to those taken by students on the Hillsdale campus. This program is designed to meet the particular educational needs of pastors and other Christian workers who may not be able to come to the campus for resident study. For the student who wishes to come to Hillsdale and complete an A.A. or B.A. degree, these courses may be used to satisfy degree requirements.

The student who does not wish to complete a degree from Hillsdale may complete a Certificate in Bible entirely through these courses. This certificate is not a college degree, but it is recognition of a significant accomplishment in education.

A secondary purpose of Distance Learning is to make available to students a program of Biblical and secular courses that they may use to develop their own skills and abilities.

SCOPE

Using modern educational methods and materials, it is possible to offer a wide variety of courses through Distance Learning. The program at Hillsdale falls into two areas. First, there is the area of religious studies. This area includes courses in Bible, theology, church history, evangelism, Christian missions, pastoral ministry, and church music. These courses are designed to prepare one to serve more effectively in Christian work.

Second, there is the area of arts and sciences. This area includes courses in English, history, political science, psychology, etc. These courses are part of a well-rounded education, and they are designed to assist the student to become a more effective and meaningful member of society.

NEED FOR ADULT EDUCATION

Many individuals for a variety of different reasons have been unable to complete their educations during the years when most people do. During their adult years they desire further training and education. Those who have had college training may feel the need for refresher courses or courses they may not have had the opportunity to take. If you are in one of these categories, we invite you to consider Distance Learning.

Distance Learning is self-paced and self-directed. For that reason, it is not recommended for the young person who has just completed high school. That student might benefit more from the structured environment of traditional classes taught through a regular college semester format. For the more mature student who has the responsibility for a home, a job, and a church, a non-traditional distance learning course of study might be ideal. It is with that student in mind that this program is designed.

BENEFITS OF DISTANCE LEARNING

1. The student may enroll for the number of hours that will suit his or her own life schedule and educational ability.
2. The student may work at his or her own pace. The only restriction is that courses must be completed within one year of enrollment.
3. The student may work at convenient times without being tied to a class hour.
4. The student may work in his or her own home or other convenient place.
5. The student may begin or end courses at any time of year.
6. The cost of Distance Learning may be less than for resident courses.

COLLEGE CREDIT

Distance Learning courses are accepted for degree credit at Hillsdale in so far as they are applicable to the specific degree program which the student is pursuing. On-campus students should consult with their faculty advisor and the Academic Dean to insure applicability of courses.

Students who plan to transfer Distance Learning courses to other institutions should get the permission of the receiving institution prior to enrollment.

WHO IS ELIGIBLE TO ENROLL

Any person who has attained the age of eighteen years (regardless of race, sex, national origin, or handicap) may enroll for these courses. Since they are college level courses, students who have not graduated from high school or completed a GED will be admitted on a provisional basis. After the student has completed his or her first course with a passing grade, the provisional enrollment status will be removed.

ENROLLMENT PROCEDURES

The student must complete the following steps in order to enroll for Distance Learning courses:

1. Complete the Distance Learning Application and Enrollment form. A student may use this form to enroll for one, two, three, or four courses.
2. Include the proper payment with the Application and Enrollment form.
3. Students who plan to use Distance Learning courses to satisfy degree requirements should also forward copies of high school and college transcripts.

RE-ENROLLMENT

A student may enroll for additional courses by completing another Application and Enrollment form and paying the appropriate fees for tuition and materials.

TRADITIONAL STUDENTS

The guidelines regarding traditional students taking a Distance Learning course will include the following:

1. Any student receiving Federal Financial Aid cannot use the federal funds received to pay any portion of the cost associated with a Distance Learning course. For Example: The student's contribution (including institutional scholarships) toward the cost of attendance must equal or exceed the cost of any Distance Learning tuition, fees, books, and materials.
2. A student may not take a Distance Learning course during a semester when that same course is being offered in the traditional classroom setting.
3. A student may only take one Distance Learning course during a single semester or term.

COURSE MATERIALS

Distance Learning courses make use of a variety of course materials including textbooks, workbooks, cassette tapes, examinations, etc. Textbooks are published by major publishers and are similar to the textbooks used on the Hillsdale campus. These textbooks have been selected with care, but we cannot guarantee that they reflect at every point the viewpoint of the administration and faculty of Hillsdale Free Will Baptist College.

Workbooks, tapes, and examinations are developed under the supervision of the Coordinator of Adult Studies and the Academic Dean. The goal is that these course materials be comparable to the course materials used on campus.

EXAMINATIONS

At least one major examination is required in each course; most courses require two or three. These major examinations must be taken under appropriate supervision. Students who live within driving distance (app. 50 miles) of the Hillsdale campus are required to take the examinations on campus under the supervision of the faculty supervisor, Coordinator of Adult Studies, or in the Library Testing Center. Students who do not live within driving distance of the Hillsdale campus will take their examinations under the supervision of an approved proctor. The student will be responsible for identifying and making appropriate arrangements with a proctor. The suggested proctor should meet the following criteria: 1) must not be a relative or a co-worker of the student, and 2) must be a professional educator, administrator, librarian, member of the clergy, law enforcement officer, or direct supervisor at the student's place of employment. The student must submit a "Proctor Application Form." Approval for all proctors must be obtained from the Coordinator of Adult Studies.

TIME LIMITATIONS AND INCOMPLETE GRADES

A student may begin or end a Distance Learning course at any time of year. There is no minimum time, but all courses must be completed within one year of enrollment. All assignments, including examinations, must be completed at least two weeks before a transcript is needed. If a student is making progress on the course but needs an extension, he/she may request that a grade of "I" (Incomplete) be issued. If an "I" is granted, students have six weeks after the end of the initial year's enrollment to complete the work. To be granted an incomplete, the

student must submit a "Request for Grade of Incomplete Form." The course supervisor and the Coordinator of Adult Studies will determine if an "I" grade will be granted. If the incomplete work is not satisfactorily completed by the designated deadline, the grade originally submitted by the course supervisor at the conclusion of the year's enrollment will become the final grade. If the incomplete work is completed to the supervisor's satisfaction by the end of the six weeks, the supervisor will submit a Grade Change. Any requests for exceptions to this policy must be submitted in writing to the appropriate college committee.

FACULTY SUPERVISOR

Each student who enrolls in a Distance Learning course is assigned to a faculty supervisor who will supervise the student, grade the assignments, and determine the final grade for the course. Students should maintain regular contact with the faculty supervisor by mail, email, or telephone. With the exception of examinations, assignments which have been graded by the faculty supervisor are returned to the student with the supervisor's comments. A record of each student's progress is maintained in the office of the Coordinator of Adult Studies, and the student may receive a progress report at any time.

TUITION COSTS

Tuition for Distance Learning courses is \$160.00 per credit hour in U.S. funds; this fee is subject to change. Tuition for on-line courses is the same as the credit hour rate listed in the "College Costs and Business Information" section of this Catalog. For traditional students enrolled in 12-15 hours, one Distance Learning course may be covered by block tuition. Any student receiving Federal Financial Aid cannot use the federal funds received to pay any portion of the cost associated with a Distance Learning course.

Students may take the opportunity to reduce tuition costs by using the 4-for-3 program. A student may pay for 3 courses at one time and get the 4th course at no additional tuition costs. Costs for textbooks and materials will still apply. This program will carry the thirty-day money back guarantee, but no refunds will be issued after thirty days.

New students are charged a \$20.00 non-refundable application fee that covers the cost of setting up the new student's file.

DISCOUNTS

Students in full-time ministry and the spouse of those in full-time ministry may be eligible for a discount, upon approval of the Coordinator of Adult Studies, up to 50%.

TEXTBOOKS

Textbooks and other course materials must be purchased at the time of enrollment. The cost varies, but for most courses, the textbook and materials cost is \$50.00 to \$75.00.

TIME PAYMENT PLAN

Hillsdale Free Will Baptist College is pleased to make available to its Distance Learning students a time payment plan that operates as follows:

1. The \$20.00 application fee must be paid at the time of the student's first enrollment.
2. At least 25% of the tuition must be paid at the time of enrollment. The remainder must be paid over the next three months at the rate of 25% per month.
3. Students will be invoiced for course materials at the time of enrollment. Materials will be shipped upon receipt of the proper payment.
4. No transcript will be released until all accounts have been paid in full.

REFUND POLICY

Distance Learning courses carry a thirty-day money back guarantee. If a student decides not to complete a Distance Learning course, he or she may return the materials unused and undamaged to the Coordinator of Adult Studies within thirty days of receipt. The student will receive a full refund (except for the \$20.00 application fee). No refunds are given after thirty days.

NON-CREDIT COURSES

Hillsdale is pleased to make available a non-credit course on Free Will Baptist Doctrines. It is designed for individuals who wish to learn more about the Bible and Christian beliefs without obtaining college credit. Because this course is offered without college credit, the only cost is for books and materials.

The course is so designed that it may be taken by a student working alone or by a student working as a part of a class in his church.

It is not necessary to fill out a formal application to receive this course. All a student needs to do is to write Hillsdale Free Will Baptist College at the address given on the cover and request the course. Payment should accompany the order. Please contact the college for the cost of these materials.

This course is based on the Free Will Baptist *Treatise* and the book *Free Will Baptist Doctrines* written by Dr. J.D. O'Donnell, a former moderator of the National Association of Free Will Baptists. Free Will Baptist Doctrines is a course that may be taken in a Sunday School class, during a Church Training Service, or as part of a mid-week service. Any teacher or pastor can administer it to a group; there is a workbook with answer key.

BIBLE CERTIFICATE

Upon successful completion of 30 semester hours of Bible and Bible-related courses, the student will be awarded a Certificate in recognition of his or her accomplishment. This Certificate is not a college degree, but it does provide appropriate recognition for the student's study and labor. Students may choose to participate in the graduation exercises, but must pay the appropriate fees.

Probationary Admission

This status is granted to students who do not meet the academic criteria for admission to the Graduate Program. It also includes students whose GPA reflects serious doubt as to the student's ability to benefit from and succeed in the Hillsdale Graduate Program. The student must be granted probationary admission by vote of the Graduate Faculty Committee and maintain a cumulative GPA of 3.0 or better (on a 4.0 scale) in order to continue in the program.

The student is responsible for completion of the Free Application for Federal Student Aid (FAFSA) for the possible awarding of grants, loans, and scholarships. The student is obligated for the balance of the account. Should the student fail to complete the FAFSA by the semester deadline (Fall, October 1 or Spring, April 1), the student is responsible to pay the balance of the account. Failure to meet his/her account obligations will cause the beginning of disenrollment proceedings, and

the student will be withdrawn from courses through the Academic Affairs Office. Appeals may be made to the Operations Council.

Scholarships

To receive a scholarship, a student must complete the scholarship application form and supply any additional materials required. A student will only be eligible to receive one scholarship per semester. All scholarships awarded are contingent upon satisfactory completion of semester and availability of funds; early withdrawal will result in the loss of scholarship awarded and recalculation of the student's account. Exceptions to any of the above guidelines must be approved by the Graduate Faculty Committee.

ACADEMIC INFORMATION

Academic Progress

All degree seeking students are expected to be making academic progress which will allow them to complete their courses of study within a reasonable time. All students are expected to maintain a minimum grade point average of 2.5. Students who fail to maintain this minimum grade point average after completing twelve hours of course work will be placed on academic probation for a semester. Failure to improve the grade point average following nine course hours may result in academic suspension. The Academic Dean will make this decision based on the current performance of the

student. Any appeal of academic suspension will be referred to the Graduate Faculty Committee. Any student being placed on academic probation twice will be subject to confer with the Academic Dean and President of the institution.

Academic Dishonesty

No Hillsdale student shall commit any act of academic dishonesty in order to advance his/her own academic performance or to impede or advance the academic progress of others.

Academic dishonesty in any form is not condoned by the College community. This specifically includes cheating, plagiarism, fabrication, fraud, destruction of property, and bribery or intimidation, as well as assisting others or attempting to engage in such acts. If there exists no doubt that an act of academic dishonesty has occurred, the instructor has the authority to administer any of the following:

1. Record a "zero" for the assignment (or test) in questions.
2. Recommend to the Academic Dean that the student be dropped from the class and assigned a failing grade 'F' or an 'X' for the course. The written recommendation will include a description of the specific occurrence, including supportive documents if applicable.
3. In cases of extreme or repeated incidents of academic dishonesty, recommend the Academic Dean that the student be suspended or expelled from the College. The written recommendation will include a description of the specific occurrences, including supportive documents if applicable. Such cases will be referred to the Disciplinary Committee in accordance with the student disciplinary procedures contained in the Student Handbook.

Repeat Courses

A student who makes a 'C' grade and desires to repeat a course may do so. However, the credit hours will only be counted as taking it once. Grade points will be given for the repeated course on the regular basis. A student will not be given credit for any course in which he/she received a grade lower than a 'C.'. If the course is a required course, the student must retake the class. If the course is an elective, it is the student's choice to retake the course.

Grading System

(See Grade Point Average)

Grade	Meaning	Points
A	Excellent	4
B	Superior	3
C	Average	2
D	Below Average	1
F	Failure	0
P	Passing	0
CR	Credit	0
W	Official Withdrawal	0
AW	Administrative Withdrawal	0
X	No credit, excessive absences	0
I	Incomplete	0
NG	No Grade Reported	
NP	In Progress	

Withdrawals

In case a student must withdraw, he/she must complete the appropriate withdrawal form and have it approved. Withdrawal forms may be obtained from the Registrar's Office. If the withdrawal is approved, the student will receive a grade of 'W' which is not computed in the GPA. A student who ceases to attend class without officially withdrawing will receive either an 'X' or an 'F' at the discretion of the instructor.

Incomplete Grades

The grade 'I' (Incomplete) means that a part of the course work was not completed and must be finished within the designated time frame. If an incomplete is granted, a student has six weeks after the end of the course to complete the work. If the incomplete work is not satisfactorily completed by the deadline, the grade originally submitted by the instructor at the end of the course will become the final grade. Any exceptions to this policy must be submitted in writing to the Graduate Faculty Committee.

Grade Disputes

A student who disputes the accuracy of a course grade has ninety (90) days from the end of the term in which the grade was issued to submit an appeal. A letter disputing a course grade is to be addressed to the Registrar of the College.

REGISTRATION

Once a student has been admitted into the program, he/she will need to fill out registration forms. This can be done in one of two ways. Registration forms can be mailed into the Graduate Office, or the student can enroll personally with the Graduate Liaison.

COURSE FORMAT

There are currently two main methods of instruction. The first is an intensive format, which will be directed by current faculty, plus adjunct professionals from across the Free Will Baptist Association. This method will include a preparatory phase for readings and assignments, a concentrated instructional time (generally five or six days from Monday through Friday evening or Saturday noon), and a post-class project that will serve as the final. The second method is a one night a week class lasting for seven weeks. These courses are taught by on campus professors. This method allows for the working student to attend class without hindering his or her work schedule. A person who completes an average of six hours with either of the two methods, or a mixture of the two every six months, can graduate with the Masters in approximately three years. All of this can be done without becoming a permanent student or leaving your career position.

Intensives

Class sessions for each full week intensive course will begin at 1:00 pm on Monday and conclude no later than noon on Saturday. The course syllabi, textbooks, and other materials will be made available four weeks prior to the first day of class. It is the student's responsibility to contact the Graduate Office for syllabi and books.

Night Courses

Class sessions for each night course will begin at 6:00pm and conclude no later than 10:00pm one night a week for seven weeks. The course syllabi, textbooks, and other materials will be made available two weeks prior to the first night of class. It is the student's responsibility to contact the Graduate Office for syllabi and books.

Workshops/Seminars

The schedule for workshops (one hour courses) and seminars (two or three hour courses) will be announced prior to the pre-enrollment period for each semester.

Distance Learning Courses

The Hillsdale Masters Program also offers courses that may be taken off campus. These courses include study guides and lecture tapes of well-regarded professors in their respective fields.

ACADEMIC SUPPORT

Learning Resource Center (LRC)

The purpose of Hillsdale's Learning Resource Center is to serve as an academic library supporting the curricular needs of students and faculty. The LRC is continuing to expand its resources to support the curriculum and promote student academic success. Library hours are posted. Internet access to library resources is available to current students.

Computer Lab

Hillsdale students have a number of computers and accessories available for their use. Computers equipped with Internet access are available for student use during posted hours. All students are required to complete a Computer Lab Information Sheet before being issued an access code for the system.

FACULTY

From its earliest days, Hillsdale has recognized the need for faculty members who are academically prepared, spiritually mature, and strongly committed to the mission and purposes of the College. The Graduate Program continues that tradition. In addition to the regular Hillsdale faculty, the College employs fully qualified adjunct faculty who can teach graduate students effectively, model Christian leadership, and make a positive contribution to the life of Hillsdale and her students.

In 1990 Hillsdale Free Will Baptist College had one instructor holding a terminal degree (doctorate) from a Department of Education recognized accrediting agency. Over the years the number of faculty holding terminal degrees has continued to grow. Since the inception of Graduate Education at Hillsdale in 2002, every course offering has been taught by a professor holding an earned and accredited doctoral degree. Thus, Hillsdale's Graduate program is committed to the highest standards of excellence in theological and ministry education.

STAFF

The Academic Affairs personnel along with the entire College staff are all professing Christians who are committed to helping students succeed in their quest for higher education and leadership advancement. Any problems related to the Graduate Program should be addressed to the Academic Dean or the Graduate Liaison

GOVERNING POLICY

Hillsdale Free Will Baptist College is governed by the Board of Trustees with the President of the College, the Moderator, and the Executive Secretary of the Oklahoma State Association of Free Will Baptists as ex-officio members. The State Associations of Arkansas and Texas elect two trustees each. The Missouri State Association of Free Will Baptists elects three trustees. The Oklahoma State Association of Free Will Baptist selects ten trustees. The trustees elected by these four states presently constitute the Board of Trustees. The President administers the day-to-day operation of the College under the direct supervision of the Board of Trustees.

DOCTRINE

The doctrine of the College is that of the Free Will Baptist denomination as outlined in A Treatise of the Faith and Practices of Free Will Baptists, Inc. As to fundamental principles, the College unreservedly endorses the conservative Protestant position. The Biblical Foundations Statement of the College is endorsed by each member of the Board of Trustees, Administration, Faculty, and Staff.

SUPPORT

Student fees account for approximately 70 percent of the total income of the College; local church groups and other sources account for 30 percent. The College thus depends upon Free Will Baptist individuals and churches for its support. The Cooperative Program of the Oklahoma State Association of Free Will Baptists provides a basic undergirding for the educational ministry of the College. Gift income comes primarily from a five-state area that includes approximately 65,000 Free Will Baptists.
