RANDALL UNIVERSITY PURPOSE STATEMENTS (Continued)

PHILOSOPHY OF EDUCATION

Believing that all truth is God's truth and that a College exists for teachers and students to pursue God's truth with freedom and responsibility, the intent of Randall University is to facilitate this pursuit. The person of Jesus Christ embodies the Randall philosophy of education. He said, "I am the way (ontology - What is real), the truth (epistemology - What is true), and the life (axiology - What is good)." Randall University exists so that all faculty and students may know Him and make Him known.

RANDALL BIBLICAL FOUNDATIONS STATEMENT

(A complete disclosure is found in A Treatise of the Faith and Practices of Free Will Baptists, and is available online

<http://nafwb.org/site/wp-content/uploads/2012/02/FWBTreatise.pdf>)

1. God - The one true and living God revealed in nature as the creator, preserver, and righteous governor of the universe. He is revealed in Scripture as the triune God—Father, Son, and Holy

Spirit, the One personal, perfect, infinitely wise and good God existing in three persons. He is the Redeemer, Savior, Sanctifier, and Judge of men, the only proper object of worship whom all intelligent creatures are to love, adore, and obey.

Scripture References: Gen. 1:1; Ex. 3:14; 31:13; 34:14; Lev. 19:2; Deut. 6:4; 32:4; I Kings 8:27; Ps. 19:1-2; 22:18; 47:7; 90:2; 119:68; 145:10; Mal. 3:6; John 4:24; Acts 15:18; Rom. 16:27; I Cor. 8:4; Eph. 2:4; Heb. 12:23; 1 Jn. 5:7; Rev. 19:6. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 2-3 and Articles of Faith 2,5.*

1.1 Father - He is infinite Spirit, the first person of the Godhead who is self-existent, eternal, unchangeable, everywhere present, all-knowing, all-powerful, independent, good, wise, holy, just, and merciful. He is the fountain of all perfection and happiness, exercising providential care and superintendence over all His creatures and governing the world in wisdom and mercy, according to the testimony of His Word. He is glorified by the whole creation and is worthy to be loved and served by all intelligence.

RANDALL UNIVERSITY PURPOSE STATEMENTS (Continued)

1.2 Son - Jesus Christ, the Son of God, is one with the Father in His divine nature. He is the second person of the Godhead and fills all the offices and performs the works of God. While possessing all divine perfections, He was miraculously conceived and born of the Virgin Mary and made of the seed of David according to the flesh, the only begotten of the Father, and the only incarnation of God. He is, therefore, God manifest in the flesh, in His divine nature truly God and in His human nature truly man, yet without sin. He is the mediator between God and man, once crucified; He is now risen and glorified, the ever present Savior and Lord. Scripture References: Isa. 9:6; Luke 19:10; John 1:1-14; 4:42; 14:20; 16:30; Acts 1:11; Rom. 4:25; 9:5, 3:25-26; 5:18; 1 Cor. 15:22; Eph. 1:7, 17; 4:6; Col. 1:17; 2:8-10; 1 Tim. 3:16; 2 4 Tim. 4:1; Titus 2:13; Heb. 1:3-10; 2:17; 4:15; 7:25; 13:8; 1 Peter 2:21; 1 Jn. 3:13; 5:7, 20; Rev. 22:13. *Treatise of the Faith and Practices of Free Will Baptists: part II, Chapters 5-6 and Articles of Faith 2, 3, and 7.*

1.3 Holy Spirit - The Holy Spirit, the third person of the Godhead, is one with the Father in His divine nature. The Bible ascribes to the Holy Spirit all the attributes of God. The Holy Spirit convicts humanity of its sin and draws all to Christ. The Holy Spirit indwells and fills the lives of all believers and endows them with spiritual gifts that are to be used in their personal service to God. There are no particular gifts that serve as visible evidence of the salvation or sanctification of the believer. Scripture References: Gen. 1:2; Job 33:4; Isa. 6:8-9; Matt. 28:19; Mark 3:29; John 16:8, 13; Acts 10:19; 13:2-4; 16:6; 1 Cor. 2:11; 6:11; Titus 2:11; 2 Peter 1:21; 1 Jn. 5:7. *Treatise of the Faith and Practices of Free Will Baptists Part II, Chapter 7 and Articles of Faith 2, 4, 8 and 10.*

2. The Bible - The Scriptures of the Old and the New Testaments were written by holy men who were inspired by the Holy Spirit. They constitute God's full and complete word to man, the infallible rule and guide to Christian faith and practice. They are without error and trustworthy in all matters upon which they speak.

2.1 Special Creation - God created the universe in its present state by His spoken word and for His pleasure and glory and the enjoyment of His creatures.

2.2 Historicity - All historical matters in the Bible are to be considered as an accurate record.

Scripture References: Ex. 4:15; 2 Sam. 23:2; Ps. 32:8; 119:151-160; Jer. 1:9; Matt. 5:17-18; John

3. Sin - Adam and Eve were created innocent, but by willful disobedience fell into a state of sin and condemnation. Their posterity, therefore, inherits a fallen nature of such tendencies that all who come to moral awareness, sin and become guilty before God.

Scripture References: Gen. 8:21; Ps. 51:5; 58:3; John 1:13; 3:3-6; 6:44; Rom. 5:12; 8:7; 1 Cor. 2:14; Gal. 5:19-20; Eph. 2:3; Col. 1:14; Heb. 12:14; Titus 3:5. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapter 4, Section II and Articles of Faith 6.*

4. Redemption - The Son of God, by His incarnation, life, sufferings, substitutionary death for sin, burial, and resurrection, effected for all a redemption from sin that is full and free and is the ground of salvation by faith. Jesus Christ died for our sins, was resurrected, and ascended to heaven, where He serves as the only mediator between God and man. Christ makes intercession for us until He comes again.

Scripture References: Rom. 5:9, 18; 8:34; 2 Cor. 5:14; Eph. 1:7; 1 Tim. 2:6; 4:10; Titus 2:11; Heb. 7:25; 9:22-24; 2 Pet. 3:9; 1 Jn. 2:2. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 6, 12, and Articles of Faith 7, 8.*

5. Salvation - Individuals, by virtue of any natural goodness and human work, cannot become the children of God. They are all dependent for salvation upon the freely-provided redemption of God that is effected through the blood of Christ, the regeneration of the believer through faith in Christ, and the operation of the Spirit. In salvation the free will of man is retained. All believers in Christ, who through grace persevere in holiness to the end of life, have promise of eternal salvation.

Scripture References: Prov. 28:13; Isa. 45:22; Mark 16:15; John 1:7; 3:3-36; 5:24, 40; Acts 16:31; 17:30; Rom. 5:16; 8:16, 38, 39; 10:10; 2 Cor. 7:10; Gal. 2:20; Phil. 1:29; 1 Thess. 5:23; 1 Tim. 2:4; Titus 2:11; Heb. 11:1-6; 2 Peter 1:4. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 8, 9, 10, 11, 12, 13, Appendix 13, and Articles of Faith 8, 9, 10, 11, 12.*

6. Satan - Satan, an evil being, is the evil accuser who slanders God to man and man to God. He is the tempter of men who continually solicits men to sin. He is to be resisted by submitting to God. Satan's final destiny is that of a conquered enemy who now abides under a perpetual curse, whereby he is finally to be cast alive into the lake of fire. There he is to be tormented forever, along with all who refuse repentance and faith in Jesus Christ.

Scripture References: 1 Chr. 21:1; Matt. 13:19; Lk. 4:5-13; John 12:31; 2 Cor. 2:11; 4:4; 11:14; Eph. 2:2; 6:11-18; Heb. 2:14; James 4:7; 1 Pet. 5:8; Rev. 20:2. *Treatise of the Faith and Practices of Free Will Baptists: Part II, Chapters 4, 19, and Articles of Faith 6.*

RANDALL UNIVERSITY PURPOSE STATEMENTS (Continued)

7. Last Things - The Lord Jesus, who ascended on high and sits at the right hand of God, will bodily return to close the Gospel era, glorify His saints, and judge the world. At the last day there will be a bodily resurrection of the dead, and all men will be judged according to their works. Following the judgment, the righteous will enter into eternal life, and the wicked will be condemned to a state of endless punishment.

ACADEMIC MISSION AND POLICIES

“Hold on to instruction, do not let it go; guard it well, for it is your life.” Proverbs 4:13

Randall University is an institution of higher learning that engages its students in the pursuit of truth and life. The Christian moorings of this institution serve to enhance rather than restrict the acquisition of these timeless properties. Curricula are developed that will challenge the student intellectually, psychologically, and socially.

The academic demands of Free Will Baptists call for programs of study for those seeking professional ministry careers as well as those seeking non- ministry careers. Diversified degrees are offered to satisfy both demands by offering accredited degree programs.

ACADEMIC POLICIES

1. **Enrollment:** Students should enroll for classes through their assigned Academic Advisor. Their assigned Advisor can be contacted through MySaint.
2. **Academic Load:** Seventeen (17) hours is the maximum student load allowed each semester without permission of the Dean of Undergraduate Studies.
3. **Study:** For successful College work the student should expect to study two (2) hours per week outside of class for every hour spent in class.
4. **Attendance:** As class attendance and participation are conducive to learning, a rather rigid policy is followed. Work may be made up at the professor's consent. Excessive absences may result in grade reduction. In all absences the student must see the teacher and make up work missed.
5. **Advisor:** Periodically during the school year the student should meet with his/her faculty advisor for guidance and review of his work and adjustment.
6. **Employment:** Student may accept employment subject to the approval of the Director of Student Services. Students required to work part-time should follow the suggested academic load.

40 hours of work per week	10 semester hours
30 hours of work per week	12 semester hours
20 hours of work per week	14 semester hours
10 hours of work per week	17 semester hours

7. **Dropping/Adding Courses:** Students may drop or add classes after the semester has begun prior to the "Last day to add/drop Classes" on the Academic Calendar each semester. The student must complete any addition or dropping of classes with their Academic Advisor.

ACADEMIC MISSION AND POLICIES (Continued)

8. **Withdrawal:** If a student is unable to complete a class, the student must obtain an official withdrawal form from the Registrar's Office and have it approved by the instructor and the Dean of Undergraduate Studies. Please consult the Academic Calendar for the "Last Day to Withdrawal" each semester.
9. **Academic Probation/Suspension:** As Randall is primarily an educational institution, the failure to maintain a minimum grade point average will result in academic probation for the student for one semester. Failure to remove the probation may result in suspension.
10. **Honor Rolls:** The Dean's List is maintained for those students who have carried an academic load of twelve (12) hours or more with a 3.5 grade point average with no grade lower than a "C" and have passed chapel. The President's List is maintained for those students who

have an “A” average with an academic load of twelve (12) hours or more and have passed chapel.

GRADING SYSTEM

C	Average	2
D	Below Average	1
F	Failure	0

ACADEMIC PROGRESS

All students (except special students) are expected to be making academic progress which will allow them to complete their courses of study within a reasonable time. All students are expected to maintain a minimum Grade Point Average of 1.70 in the first semester. For each succeeding semester, the student must maintain the following cumulative grade point averages: 1.80 second semester, 1.90 third semester, 2.0 all succeeding semesters. Students who fail to maintain these minimum grade point averages will be placed on academic warning. If the Grade Point Average is not improved, the student will be placed on academic probation for a semester. Failure to improve the Grade Point Average following academic probation may result in academic suspension. The Vice President for Academic Affairs will make this decision based on the current performance of the student. Any appeal of academic suspension will be referred to the Academic Affairs Committee of the College. **NOTE:** Any student whose semester Grade Point Average falls below academic standards (while his/her Cumulative GPA remains within standards) will be warned by letter that failure to improve grades may result in substandard Cumulative GPA and formal notification on the transcript of academic restrictions.

CLASS ATTENDANCE

1. Regular, punctual class attendance is essential for the satisfactory completion of a course. The student is expected, therefore, to attend all sessions of the courses in which he/she is enrolled.
2. All absences are recorded and an absence does not excuse any student from any required work.

3. Students who are involved in extracurricular activities and/or public relations for the College may receive excused absences which entitle the student to make up any work missed. In order for an absence to be considered excused, the Activity Absence Form must be completed and presented to the instructor at least one class period prior to the absence. Excessive absences, even though they are excused, may affect the student's performance in the class.

4. Students are responsible for the content of any course in which they are officially enrolled. Individual instructors determine the degree that tardiness and absence from class affect students' grades. Instructors must detail those requirements and penalties in the class syllabus and receive approval for them from the Vice President for Academic Affairs. Students who exceed the number of absences or otherwise fail to meet attendance policies will experience the consequences outlined by the instructor in the course syllabus.

ACADEMIC INTERVENTION

There are three fundamental problems which interfere with progress or defeat College students each year. These are the lack of scheduling, class attendance, and adequate study. Scheduling, or time management, is the number one culprit. Many students are faced for the first time with the responsibility of using their time without accountability to parents. The temptation to stay up late and socialize infringes upon the need to sleep. This leads to the second difficulty, which is failure to show up for the class instruction. Class absenteeism leaves the student deficient in note taking, class participation, and project completion. The end result of these previous failures is the inefficient use of the required study opportunities. The student is trying to catch up on work, studying when he/she is not rested, and compressing writing into the final few days or hours before an assigned deadline.

The Academic Intervention Program addresses these concerns in the following manner:

1. Each student in the program is assigned a faculty mentor who will determine a plan of action for improving his/her academic performance.
2. Each student completes a calendar which includes class schedules, test dates, campus activities, work hours, and project deadlines. The faculty mentor will oversee the calendar and set appointments for the student to report to the mentor.
3. The faculty mentor may periodically correspond with instructors to verify progress.

ACADEMIC INTERVENTION (Continued)

4. Study circles for individual classes are formed for the benefit of the student in Academic Intervention but are also open to other students who may wish to attend.
5. The faculty mentor may recommend private tutoring for a cooperative student who is not making satisfactory academic progress.

6. Any student under the age of 21 who does not cooperate in completing his/her assignments and fails to keep appointments may be dismissed from the program following the notification of the student's parents.

Students may be placed in Academic Intervention through the following methods:

1. The request of the student with the approval of the Academic Dean;
2. A composite score of 19 or less on the ACT College Placement Test;
3. The recommendation of an instructor or faculty advisor;
4. Absences in excess of six for any class in which the student is enrolled;
5. An unsatisfactory progress report;
6. Academic Probation.

The ultimate goal of the Academic Intervention Program is to assist the student in his/her personal discipline until he/she reaches the point of self- discipline.

FERPA

What are FERPA rights?

Students have three primary rights under FERPA. They have rights to inspect and review their education records; have some control over the disclosure of information from their education record, and seek to amend their education records, under certain circumstances. Students also have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

When do FERPA rights begin?

Once students have matriculated to Randall University, i.e. enrolled in course work, FERPA rights transfer to the student, regardless of the student's age and regardless of who is paying for the student's education.

What are education records?

Under FERPA, education records are defined as records that are directly related to a student and are maintained by an educational agency or institution, or by a third party acting on behalf of the agency or institution. Education records can exist in any medium. Examples include: handwritten notes, computer files/generated information, printed information, video or audio tapes, film, microfilm or microfiche.

Withholding the release of information

According to FERPA, a student can request, while still enrolled, that the institution not release any directory information about him/her. Institutions must comply with this request. At Randall University, students who wish to restrict the release of directory information about them must complete a "Request To Withhold Directory Information" form, available from the Registrar's Office. The completed form must be submitted in person to the Registrar's Office and must be accompanied by a photo I.D. Students will be required to renew the request within the first ten days of the semester.

Students who wish to restrict directory information should realize that **THIS ACTION COULD HAVE NEGATIVE CONSEQUENCES.**

The names of students who have restricted their directory information will not appear in the commencement bulletin and other college publications. Also, employers, credit card companies, loan agencies, scholarship committees and the like will be denied any of your directory information and will be told:

"I'm sorry, but we have no information available about this person's attendance at Randall University."

FERPA Continued

Parent's access to a student's records

At the postsecondary level, parents have no inherent rights to access or inspect their son or daughter's education records. The right is limited solely to the student. At Randall University, records may be released to parents only if they have been given a written release by the student or in compliance with a subpoena. However, the College may release information without the student's written consent to the parent of a student who has established that the student is a dependent according to the IRS Code of 1986, Section 152.

Resources and services provided by the Library are explained on the Randall University Library website, www.ru.edu/library, as well as borrower's loan policies and other library policies. CHAPEL

Chapel at Randall University is a central expression of our identity as a Christian institution with a deep commitment to the spiritual well-being of our students. Chapel is a required opportunity for the entire campus to come together and affirm our common commitments to Christ, the church, and our institution. We are affirmed in these commitments by the work of the Holy Spirit through Biblical worship, the preaching of God's word, creative expression and practical instruction.

Chapel services are Tuesday and Thursday at 10:40 a.m. Students are required to attend chapel. A passing grade for chapel is 70%. Points are awarded in this manner: 50% attendance, 30% community service hours, 10% Chapel survey, 5% syllabus contract and 5% church choice. Any student receiving more than six (6) chapel absences will be placed on chapel probation and notification will be made to the student's academic advisor and those supervising any of his/her extracurricular activities.

CHAPEL (Continued)

Those students on current chapel probation will be barred from extracurricular activities and future registration. Students who fail Chapel in two (2) semesters are excluded from enrollment and must have an interview and approval from the President. To clear this chapel attendance status, a student is required to meet the conditions set forth by the President.

The general expectation is that a student will set a goal to be present in all chapel and cocurricular activities. However, in an effort to accommodate personal needs, some flexibility has been provided in cases of work and other scheduling conflicts. All excused chapels must be approved by the President.

Though we hope that students are challenged in their faith through Chapel, we realize that spiritual nurture is ultimately a function of each person's will, preference, and responsibility and cannot be subject to requirements. Chapel is a common experience. Spiritual nurture is each student's own responsibility. Each full-time student is required to participate in 15 hours of Christian/community service that is approved through the office of the President.

COMMUNITY SERVICE

Faith, as defined in the Bible, involves personal participation in the work and ministry of the gospel. Two issues should be remembered as the Christian involves himself in community service. First, each Christian has gifts and abilities that produce a satisfying ministry. Second, the local church is God's primary unit for evangelism, worship, teaching, service, and fellowship. While the College encourages every student to seek a place of service in a local church, additional community service assignments become a reality only when faith is expressed through total obedience to the Bible, and God's word explicitly exhorts all believers to a life of service.

CO-CURRICULAR ACTIVITIES

The University offers a number of activities to foster spiritual growth and development. **Bible Studies and Holiday Concerts** are held from time to time to stimulate Christian commitment and dedication. Our **Career Center** offers Career Workshops and Career Informational sessions. **Campus Days** is a time set apart to give prospective students an overall view of campus life. **Attendance for all the above is encouraged.**

CULTURAL EVENTS

The uniqueness of humanity extends beyond his pursuit of knowledge. His/her sense of universal, life-giving truth is expressed in music, the arts, literature, and interpersonal relationships that complement the strengths of personality rather than exploiting his/her weakness. The responsible person is able to discern the inherent good or evil of cultural expressions. Randall endeavors to enable the student to make such critical evaluations and, subsequently, to instill an appreciation for wholesome statements of man.

The Randall campus is well located to develop an appreciation for quality music, literature, and art. Numerous Colleges and universities are located in the metropolitan area, and they offer a variety of programs and activities of interest to the Christian collegian. Also, numerous museums and art centers are nearby.

Special events such as our **Christmas and Easter Concerts**, recitals, and dramas are presented on campus. To fulfill our goal of enhancing cultural growth, each student is encouraged to attend at least two (2) cultural events each semester. Recommended events will be posted throughout the semester.

EMPLOYMENT (CAMPUS)

Work Study and Randall University Jobs are available in various departments on campus. Students interested should inquire in the Business Office or the Financial Aid Office concerning campus employment.

IDENTIFICATION CARDS

Each student is required to always carry his/her college issued ID Card so that it is visible at all times while on campus. The first ID card is provided by Randall University. Each replacement card is \$10.

INTRANET

The Randall Intranet is an invaluable tool for students. The RU Intranet is a great way to stay informed of all announcements, class changes, all calendar events, and student emails. The RU intranet should appear automatically on all computer stations on campus. To access the intranet off campus go to <http://hillswest.saints.ru.edu>.

MAIL

Students may pick up incoming or drop-off outgoing mail and purchase stamps at the counter in the Student Center or mail may be dropped off and postage purchased at the Moore Post Office located on the corner of South I-35 Service Road and SW 4th Street.

Student mail should be addressed to:

Your Name

MEALS

The Randall Cafeteria, the Student Center, and vending machines are operated by the College. The Randall Cafeteria (Café 59) and the Student Center provide services to students, faculty, and guests. Students may purchase one of the meal plans offered at the time of registration for each semester. Student IDs must be used to apply meal purchases to a meal plan. Meal plans may be used in the cafeteria or the Student Center. When a student has used all meals purchased in a meal plan, his/her account will be charged for each individual meal. Food service personnel will make every reasonable attempt to accommodate special dietary needs.

STUDENT ORGANIZATIONS

There are many opportunities for individuals to become involved at Randall. Students are encouraged to find their place to serve with other students in one of the many organizations on the Randall campus. All student organizations must be approved by the Director of Student

Affairs each year. A faculty sponsor must be assigned to each organization. A copy of the constitution and by-laws of each organization must be on file in the office of the Director for Student Affairs. A candidate for any office must have a 2.75 (minimum) grade point average. For more information, please contact the Office of Student Affairs at 405-912- 9463. Here are some of the student organizations you will find at Randall University:

STUDENT ORGANIZATIONS (Continued)

Student Board Association

The Student Board Association (SBA) strives to increase visibility, engagement and collaboration between Randall students, faculty, and administrators. As the umbrella organization for all student clubs and organizations, SBA works closely with the Director for Student Affairs to create programming and new ways to make Randall University a dynamic, innovative, and exciting place to learn and grow in our Christian faith, education, and surrounding community. SBA organizes programs such as Floats & Devos, Movie Nights, Fall Festival, Spring Gala, Humans vs. Zombies, Spy vs. Spy, and many other events throughout the school year.

Bible Studies:

Christian fellowship and worship are essential for spiritual growth. That's why students can find many different kinds of Bible studies and Christian groups to participate in at Randall University. From small group studies with a resident advisor to campus-wide bible studies with a Church pastor, students will find a Christian group they can belong to at Randall University.

Business Pros:

This organization exists to empower students so they can excel in leadership, network, and learn from leaders of corporations and church organizations. The Business Pros organization can create possible career avenues and directly impact the student leaders involved. Business Pros organizes programs with the Career Center, Jack Richie Distinguished Visitor Series, and Saint Games.

Career Center:

Our Career Center provides students with skill workshops, informational meetings, and awesome networking opportunities through our meet-and-greet program. The career skill workshops prepare students for the ministry and the marketplace and equip them with the confidence and knowledge needed to be successful. Resume writing, interview skills, and dress for success are some of the workshops students experience every year. The career informational meetings allow students to discuss the particulars of a profession, learn about different career paths and fields, and develop a professional network to help them find a great job! These meetings will give students a better understanding of a career field, its current trends and opportunities, establish contacts, and identify jobs in the market. The Meet & Greet program's purpose is to allow students to network and build connections with like-minded business and community leaders. This program also offers presentations on the latest business etiquette and networking skills.

Community Service:

Service to the community is integral to the overall student experience and it is deeply embedded in the educational fabric of this Institution and woven into the curriculum and extra-curricular activities. Students can develop greater awareness of the needs of their community, grow in compassion, patience, and generosity, and be a witness of faith, hope, and charity to a lost and confused world. Examples of typical community service projects are with the Salvation Army, YMCA, Blood Drives, Food Banks, and assisting nearby churches.

Fine Arts Events:

The Drama and Concert Clubs are two popular organizations that create fine arts events every year for Randall University. The Drama Club creates opportunities for students to develop communication and leadership skills, and are part of at least one production in the fall and spring semesters. The Concert Club allows students to express their musical excellence by planning and performing the annual Christmas and Easter Concerts.

Fellowship of Christian Athletes:

Its mission is to “lead every athlete into a growing relationship with Jesus Christ”. The Fellowship of Christian Athletes meets about every month. Guest presenters, former or current student-athletes themselves, share their Christian testimony and dive into the scriptures producing inspiration and motivation to all who attend. Smaller “huddle” groups are created to discuss the presentation with a game or fun activity to end the event.

History Club

The History Club offers a venue for Randall University majors and minors, as well as other students, to pursue their historical interests outside the classroom. Also, this club hopes to foster a strong sense of community among students at Randall University.

Intramurals:

Randall University provides students with opportunities to meet other students and to take a well-deserved break from busy schedules. Recreational Sports Tournaments are a fun and exciting way for students to get necessary exercise while competing in a safe and friendly environment. Pickleball, 3-on-3 Basketball, and Dodgeball are some of the more popular tournaments.

International Club:

Its goal is to assist international students to have a great experience at Randall University by giving its members an opportunity to share about their unique backgrounds and cultural heritage. Promotes friendship and understanding among students from the United States and around the world. The organization creates a cultural learning experience for its membership through activities and interaction.

Jack Richie Distinguished Visitor Series:

Its purpose is to enhance the quality of higher education at Randall University and to enrich its academic and student life by supporting visits to the University from scholars and professionals in a variety of fields. Fields include finance, history, science, entertainment, political studies, commerce, industry, government, and outstanding achievers from other disciplines who have

made amazing contributions to the advancement of knowledge or to cultural, economic, social, and spiritual development. This program will include a "backstage pass" for some of our students and an appropriate blend of interaction with the rest of the student body and community during the main presentation.

EMERGENCY PROTOCOL

ACCIDENTS/EMERGENCIES

In an emergency involving a student, he/she should contact your Resident Advisor (RA), or the Student Life Coordinator (CD) to alert him/her of the situation. If the CD or RA feels the police, fire department or ambulance service should be contacted, the agency will be contacted immediately by the staff member. Campus Safety also will be notified by university personnel.

Students who find themselves in a “life-threatening” situation, or observe such an incident, should immediately call the appropriate agency (911), followed by calling the Student Life Coordinator or RA, who should be responsible for contacting Campus Safety.

A report of any accident or emergency that occurs at any time is to be sent to the respective RA. If your RA is unavailable, a report is to be given to another RA, the Student Life Coordinator, or the Director of Student Affairs.

CRISIS SITUATIONS/EMERGENCIES

If non-directory information is needed to resolve a crisis or emergency situation, an education institution may release that information if the institution determines that the information is “necessary to protect the health or safety of the student or other individuals.” Factors considered in making this assessment are: the severity of the threat to the health or safety of those involved; the need for the information; the time required to deal with the emergency; and the parties to whom the information is to be given to deal with the emergency.

SECURITY HOURS ON CAMPUS

The College does not permit activities or random movement on or about the campus during nighttime hours between the closing of the Campus Housing and 6:00 a.m. The principal reason for this provision is security of persons and property. Students on the grounds of the campus during security hours must respond to the request of the campus personnel for identification and to his/her instructions if such are deemed necessary.

EMERGENCY ALERT SYSTEM

All students should opt-in to Randall's Emergency Alert System so that they will be notified in the event of an emergency that may impact the campus. Students may do so by going to their "Settings" in the top right hand corner of "MySaint" and then going to "Notifications." Enter your phone on which you receive text messages in order to be notified in the case of an emergency.

ACTIVE SHOOTER

Active shooter situations are unpredictable and evolve quickly. Typically, the immediate deployment of law enforcement is required to stop the shooting and mitigate harm to victims.

Because active shooter situations are often over within 10 to 15 minutes, before law enforcement arrives on the scene, individuals must be prepared both mentally and physically to deal with an active shooter situation.

If you hear shots fired on campus or if you witness an armed person shooting or threatening people (active shooter):

Immediately choose the best way to protect your life. Very quickly, make your best determination of what is occurring and which of the options below will provide the greatest degree of security for you employing the "RUN, HIDE, or FIGHT" protocol.

RUN: Evacuate If Possible

- If there is considerable distance between you and the gunfire/armed person, quickly move away from the sound of the gunfire/armed person. If the gunfire/armed person is in your building and it is safe to do so, run out of the building and move far away until you are in a secure place to hide.
- Leave your belongings behind.
- Keep your hands visible to law enforcement.
- Take others with you, but do not stay behind because others will not go.

- Call 911 when it is safe to do so. Do not assume that someone else has reported the incident. The information that you are able to provide law enforcement may be critical, e.g. number of shooters, physical description and identification, number and type(s) of weapons, and location of the shooter.

HIDE: Hide silently in as safe a place as possible

- If the shooter is in close proximity and you cannot evacuate safely, hide in an area out of the armed person's view.
- Choose a hiding place with thicker walls and fewer windows, if possible.
- Lock doors and barricade them with furniture, if possible.
- Turn off lights
- Silence phones and turn off other electronics.
- Close windows, shades, and blinds, and avoid being seen from outside the room, if possible.
- If you are outdoors and cannot RUN safely, find a place to hide that will provide protection from gunfire such as a brick wall, large trees, or buildings.
- Remain in place until you receive an "all clear" signal from safety/university personnel.

ACTIVE SHOOTER (Continued)

FIGHT: Take action to disrupt or incapacitate the shooter

- As a last resort, fight. If you cannot evacuate or hide safely and only when your life is in imminent danger, take action.
- Attempt to incapacitate or disrupt the actions of the shooter.
- Act with physical aggression toward the shooter.
- Use items in your area such as fire extinguishers or chairs.
- Throw items at the shooter if possible.
- Call 911 when it is safe to do so.

Immediately after an incident:

- Wait for Local Law Enforcement officers to assist you out of the building, if inside.
- When law enforcement arrives, students and employees must display empty hands with open palms.

Note:

- Understand that gunfire may sound artificial. Assume that any popping sound is gunfire.
- If there are two or more persons in the same place when a violent incident begins, you should spread out in the room to avoid offering the aggressor an easy target.

- Be mindful that violent attacks can involve any type of weapon, not just a gun. Knives, blunt objects, physical force, or explosives can be just as deadly as a gun. The suggested actions provided here are applicable in any violent encounter.
- Plan ahead: Visualize possible escape routes, including physically accessible routes for students and staff with disabilities and others with limited mobility.

CRIME REPORTS

If there is a crime to report students should contact your RA immediately. The RA will have the student complete an “Incident Report” and, if needed, contact the proper authorities. If the RA is not available, please contact the Student Life Coordinator or Director of Student Affairs.

To view the Randall crime statistics please visit www.ru.edu/crimestats. It is the policy of Randall University to update the statistics each year following US Department of Education reporting period during the fall semester. The crime report will also be featured in the DOSA Digest almost every week for easy access.

In the event that the college needs to lockdown, the procedure will be as follows:

1. Participants in the Emergency Notification System will be notified by of a “Campus Lockdown.”
2. All occupants on campus should implement A.L.I.C.E (Alert. Lockdown. Inform. Counter. Evacuate).

FIRE PRECAUTIONS

In the event of a fire, Yandell and Thompson residents are reminded to use the stairs leading to the nearest exit. Go to a safe place your RA has designated for your floor/area. The door and windows to the room should be closed before departing. To help prevent fire, residents are requested to observe the following precautions:

1. Remember not to overload or abuse the electrical outlets.
2. Check appliance cords for frayed or worn areas
3. Refrain from activities that involve fire or flame.

FIRE ALARM INSTRUCTIONS

In inclement weather, wear a coat and shoes and carry a towel.

1. Close windows and leave lights on in the room. Take the room key.

2. Leave the door closed and walk to the exit. If smoke is encountered, stay low for air.
3. Physical assistance for evacuation: - Call 911.
4. If unable to leave the room, place a towel under the door if smoke is either seen or
5. smelled.
6. Await assistance in the room or area of refuge.

FIRE DRILLS

For the protection and safety of our community, announced and unannounced fire drills will be held at the direction of the Moore Fire Marshall during the academic year. To become familiar with evacuation routes, cooperation is mandatory. Anytime the alarm sounds residents are to leave the building. Participation in fire evacuations is required by state law.

PERSONAL PROPERTY

The University is not responsible for the personal property of students. Residents of University Housing are encouraged to take appropriate precautions to protect their property and to purchase renter's insurance if the student deems it necessary. Always lock your vehicles and dorm rooms.

WEATHER INFORMATION

Oklahoma Road Conditions – 405-425-2385
OKC Time and Temperature – 405-599-1234
4 Warn Weather Hotline – 405-460-4444

SEVERE WEATHER CONDITIONS

In case of inclement weather or natural disasters, Randall University will announce information on cancellations or delays with local media outlets, MySaint, and the Campus Alert System. Students should consult the local television stations and/or the website for announcements and directions.

SEVERE WEATHER INFORMATION

A weather **WATCH** covers a large area, usually 30,000 to 50,000 square miles. A weather watch alert **does not** mean that severe weather will occur, only that it could. There are two types of weather watches:

- 1) **Severe Thunderstorm Watch** means there is a possibility of large hail and damaging winds.

2) **Tornado Watch** means there is a possibility of severe thunderstorms and tornadoes.

A weather **WARNING** means there is an actual report of severe weather or that radar suggests the possibility of severe weather. Most warnings are for a one or two-county area.

THUNDERSTORM FACTS

Most thunderstorm-related deaths are due to lightning. Follow these precautions when thunderstorms are forecast:

- 1) Get inside.
- 2) If outdoors, do not stand near a tall or isolated tree.
- 3) Avoid being in or around water.
- 4) If your hair stands on end, lightning is about to strike you! Crouch down and bend forward, on hands and knees. Do not lie flat.
- 5) A person who is struck by lightning can often be revived by prompt CPR administration.
- 6) People in mobile homes should move to a designated shelter area.
- 7) Tie down outdoor objects.

TORNADO FACTS

When a tornado threatens, follow these safety rules:

- 1) Stay away from windows, doors, and outside walls.
- 2) Protect your head and face.
- 3) Go to the basement. If an underground shelter is not available, go to an interior room on a low level. Closets, interior halls, and bathrooms offer the most protection. Get under something sturdy (a desk, a heavy table, etc.).
- 4) In public buildings, move to the designated shelter area.

- 5) In high-rises, go to interior rooms or hallways on a lower-level floor. Never take the elevator.
- 6) Leave mobile homes or vehicles, and take shelter in a substantial structure. Do not stay in a car. If there is no nearby shelter, lie flat in the nearest ditch or ravine, face down, with your arms shielding your head.

CAMPUS SEVERE WEATHER SHELTERS

If a tornado warning is issued, students should take shelter in the following locations:

BACK CAMPUS: lower level campus apartments

FRONT CAMPUS: gymnasium lower-level locker rooms

SHELTER IN PLACE

During certain emergency situations, particularly **chemical releases, radioactive material releases and some weather emergencies**, you may be advised to “Shelter in Place” rather than evacuate the building.

- 1) Go or stay inside the building.
- 2) Go to a pre-determined sheltering room (or rooms) a) Yandell Hall - 1st floor lobby
- b) Friends Hall - Back rooms
- c) Barnard Hall
- d) Wiley Hall
- e) Front Campus - Cafeteria
- 3) Shut and lock all windows and doors.
- 4) Seal any windows and/or vents with sheets of plastic and duct tape.
- 5) Seal the door(s) with duct tape around the top and sides; place a wet towel at the bottom of the door.
- 6) Turn off the heat, air conditioning or ventilation system, if you have local controls for these systems.

SHELTER IN PLACE (continued)

- 7) Quickly locate supplies you may need, e.g., food, water, radio, etc.
- 8) If possible, go to a room or corridor where there are no windows.
- 9) Cover your nose and mouth with a wet cloth if necessary
- 10) If possible, monitor for additional information via the main College web page at <http://www.ru.edu/mysaint>, radio, or television for further instructions.
- 11) Do not call 911 unless you are reporting a life-threatening situation.

Additional steps to be taken if materials are available:

- In the event of a chemical, biological, or radioactive material release requiring Shelter-in-Place, seal doors and windows with duct tape and/or plastic sheeting.
- Cover cracks under doors with damp towels.

When the “all clear” is announced

- Open windows and doors.
- Turn on the heating, air conditioning or ventilation system.
- Go outside and wait until the building has been vented.

Health & Fitness

INTRAMURALS

Intramural sports are directed by the Student Life Coordinator for the entertainment and recreation of the student body. Periodically, students will get opportunities to participate in recreational competitions such as basketball, volleyball, kickball, and pickleball.

GYMNASIUM

1. Non-athletic shoes and/or shoes with debris (mud, rocks, etc.) are not permitted on gym floor.
2. Approval must be obtained from the Director of Operations before scheduling an event in the gym.
3. Playing music that contains sexually explicit, derogatory, or profane lyrics is prohibited at all times.

PHYSICAL HEALTH

According to the U. S. Department of Health and Human Services, there are six basic dietary guidelines that emphasize balance, variety, and moderation in an overall diet.

- * Eat a variety of foods
- * Maintain desirable weight
- * Eat foods with adequate starch and fiber
- * Avoid too much fat, saturated fat, and cholesterol
- * Avoid too much sugar
- * Avoid too much sodium

This requires eating foods from each of the major food groups, considering nutritional value, as well as taking time to eat in an atmosphere conducive to good digestion.

MENTAL HEALTH

The student encounters many decisions, crises, and transitions during the course of his/her University career. Randall recognizes the dilemmas of the student and offers multiple counseling services to its students and their families.

In accordance with Oklahoma State law, Randall University recognizes emotional support/therapy animals. Students must take the following steps in order for an emotional support animal to reside on campus for any length of time:

1. Students must submit an application that will be reviewed by a Behavioral Health/Psychology Faculty member and the Director of Student Affairs.
2. The animal must be registered as a therapy pet.
3. The student must have paperwork from a medical professional that prescribes the use of the animal as a form of treatment/therapy.
4. The animal must go through proper training that is specific to the student's disability.

MENTAL HEALTH (continued)

If approved, the student must follow a strict regimen in order to maintain cleanliness. If the animal is disruptive to other dorm students, the student will have 48 hours to remove the animal from the dorms. Although the initial deposit for the dorm room will be the same for all students, a student with a therapy animal could be subject to paying an amount that exceeds the deposit if there is damage to the facility caused by the animal.

Regarding other alternative forms of treatment, Randall University is subject to State and Federal laws. Federally, Marijuana is still considered an illegal drug. Although medicinal marijuana is legal in Oklahoma, it is illegal federally. Regardless of whether a student has a prescription for medicinal marijuana, students are not allowed to use any type of marijuana (more than .3% THC). All Hemp derived products (.3% or less THC) are legal for personal use only; however, students are not allowed to grow, manufacture, distribute or sell any part of the cannabis plant (regardless of the level of THC). The only exception to this policy is in regard to students with prescriptions for Epidiolex oil.

VARSITY SPORTS

Student-athletes are considered public representatives of the College community. For this reason, student-athletes are held to a higher standard of conduct. The guidelines for the student-athlete have been set forth by the Athletic Director and the Administrative Committee. These guidelines will be distributed to the student-athlete at the Athletic Department Orientation. All varsity teams compete in NCCAA Championship play.

Men's Intercollegiate Athletics

LIFE

Women's Intercollegiate Athletics Baseball,
Basketball, Soccer, and Volleyball **SPIRITUAL**

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ." I Peter 3:18 The application of knowledge will vary with career changes and new technology, but the business of living will go on. To that end, the Oklahoma State Association of Free Will Baptists

established and continues to operate Randall University. Randall has been charged with the responsibility to enter an area that is ignored by most Colleges and universities; that area being the spiritual dimension of man.

The student must learn to distinguish the difference between Biblical commands, institutional concerns, and the expectations of both secular and religious society. This Handbook outlines many activities and attitudes that have explicit Biblical support. God has placed value on such matters as truth telling, integrity, and service. Persons are not at liberty to assign a different value when the Bible contains explicit teaching on any subject. At the same time some of the policies contained herein provide for the welfare of the campus even though those policies carry no moral significance. Finally, some of the policies are compatible with the expectations of the business world and our supporting constituency. The mature person recognizes the importance of being a responsible member of the group, whether it is the family, the church, the campus, or the work force.

Randall offers a variety of programs to enhance the spiritual development of each student. None of these programs should be allowed to take the place of personal Bible reading, prayer, and Christian service. Some of the programs described below are voluntary while others are required of all students. Please note the following College policies.

LOCAL CHURCH

Students are expected to select an area local church of their denomination. The selection is to be made within the first four weeks of the semester. Students are expected to attend all regularly scheduled services at this church unless they have church responsibilities elsewhere.

STUDENT CODE OF CONDUCT

Section I: Student Code of Conduct Purpose

Randall University encourages the intellectual, spiritual, social, moral and physical growth of its students as scholars and citizens. The University has both the authority and responsibility to maintain a campus community where education and Christian development flourish for all students and where personal safety and University operations are appropriately protected.

As a pattern of discipline for the development of a pure and Godly life, that standard is designed to guide, not restrict, the lives of those who follow it. Our Student Code of Conduct reflects biblical standards either outlined or drawn from Scripture for the benefit of the University community.

It is a choice to attend Randall University, and by making this choice, students will abide by these standards of conduct. Students are responsible not only for the intent of their conduct but also for the impact of their actions.

Section II: Student Code of Conduct Definitions

The following selected terms are defined in an effort to facilitate a more thorough understanding of The Student Code. This list is not intended to be a complete list of all the terms referenced in The Student Code that might require interpretation or clarification.

RANDALL
UNIVERSITY

The policies set forth by Randall University are given as minimum standards and expectations for enrolled students. These policies are general statements, which reflect the purpose and mission of Randall University. These policies shall be interpreted by the Director of Student Affairs and the Administration of Randall University.

Appendix I: ACADEMIC DISHONESTY

Guiding Principle: No Randall student shall commit any act of academic dishonesty in order to advance his/her own academic performance or to impede or advance the academic progress of others.

Academic dishonesty in any form will not be tolerated by the college community. This specifically includes cheating, plagiarism (including copying from the internet), fabrication, fraud, destruction of property, and bribery or intimidation, as well as assisting others or attempting to engage in such acts. When the instructor has evidence indicating that an act of academic dishonesty has occurred, the instructor should complete an Academic Dishonesty Documentation Form and submit it with the supporting documentation to the Vice President for Academic Affairs.

If the instructor determines that academic dishonesty has occurred, the instructor has the authority to administer either of the following:

1. Record a "zero" for the assignment or test in question.
2. Assign a grade of "F" for the course.

The student has the right to appeal to the Vice President for Academic Affairs and to present evidence on his/her behalf. This appeal should be filed within 48 hours of the time when the student receives the instructor's decision. The Vice President for Academic Affairs will notify the student of the decision.

In cases of extreme or repeated incidents of academic dishonesty, the Vice President for Academic Affairs has the authority to determine an appropriate punishment. This may include suspension or expulsion from the college. The Vice President for Academic Affairs may form a faculty committee to investigate and make recommendations concerning disciplinary action to be taken.

Appendix II: ALCOHOL & DRUG USE

Randall University seeks to assure the health and well-being of all students and employees, and to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. Those goals are damaged by illegal drug and alcohol use. Therefore, to further these goals, it has been, and shall continue to be, the policy of Randall University to prohibit the illegal use, possession, sale, delivery, and/or manufacture of drugs, or the possession, use, or sale of alcohol by any student or employee of the University. Randall University will drug test students and employees at random and upon reasonable suspicion.

The University's policies and programs are intended to emphasize

1. The incompatibility of the use or sale of illegal drugs and alcohol with the goals of the University;
2. The legal consequences of involvement with illegal drugs and alcohol;
3. The medical implications of the use of illegal drugs and alcohol; and,
4. The ways in which illegal drugs and alcohol jeopardize an individual's present accomplishments and future opportunities with the University.

The University will provide information about drug and alcohol counseling and rehabilitation services available to members of the Randall community. Persons who voluntarily avail themselves of University services shall be assured that applicable professional standards of confidentiality will be observed.

The University shall take all actions necessary, consistent with state and federal law and applicable University policy, to eliminate illegal drugs and alcohol from campus. University policy on illegal drugs and alcohol use will be publicized in student and faculty handbooks, student orientation materials, letters to students and parents, residence hall meetings, and faculty and employee meetings.

Students and faculty members, administrators, and other employees are responsible as citizens for knowing about and complying with the provisions of Oklahoma law that makes it a crime to possess, sell, deliver, or manufacture drugs designated collectively as "controlled substances" in Title 63, Section 2-401 *et seq* of the Oklahoma Statutes. Any member of the Randall community who violates that law is subject both to prosecution and punishment by the civil authorities and

to disciplinary proceedings against the student or employee when the alleged conduct is deemed to affect the interests of the University.

Appendix II: ALCOHOL & DRUG USE (Continued)

Randall will take the following steps to ensure the safety of the campus as well as to maintain an alcohol and drug-free campus:

If a student appears to have been drinking or exhibits drunken behavior in violation of the college's policy a breathalyzer test will be administered to the student. If the student refuses to take the breathalyzer he/she will automatically admit violation of the policy and immediate Disciplinary Action will take place. If the student agrees to have the test administered and fails based on the blood alcohol level then this will also result in a violation of the alcohol policy and will be subject to immediate Disciplinary Action. The head R.A., Resident Life Coordinator, Dean of Students, or other University faculty or staff must be present at the time the breathalyzer test is given.

2. If there is any suspicion of a student violating the college's drug policy the student will be expected to be in compliance with a drug test on campus or by a third party. If the student refuses to take the drug test he/she will automatically admit violation of the policy and immediate Disciplinary Action will take place. If the student agrees to have the test administered and fails based on the drug level then this will also result in a violation of the drug policy and will be subject to immediate Disciplinary Action. The head R.A., Resident Life Coordinator, Dean of Students or other University faculty or staff must be present at the time the drug test is given.

This summary of the University policy on the prevention of alcohol and drug use on campus and in the workplace is based on the Drug-Free Workplace Act of 1988 (P.L. 100-690, Title V, Subtitle D) and Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226). Possession, purchase, and/or use of alcoholic beverages and/or drugs on and off campus are strictly forbidden. Possession of alcoholic beverage containers and/or drug-related paraphernalia may be interpreted as an abridgment of this regulation. Possession, use, and/or sale of alcohol and/or drug-related paraphernalia **on or off campus** will result in disciplinary action. A student appearing on campus (including residence halls) whose use of an alcoholic beverage or drug is discernible shall be subject to disciplinary action.

Disciplinary action is as follows: If a student is in violation of the alcohol and/or: drug policy, he/she may be asked to appear before the Disciplinary Committee. This Committee reserves the right to give 1) **Disciplinary Probation** - This condition encumbers the student's good standing in the College for a stated period of time. Penalties can include, but are not limited to, the loss of college administered financial aid (i.e. academic scholarships, endowed scholarships, etc.); restriction from participation in college-sponsored groups (i.e. ministry teams and athletics); and

restriction from holding office in college-sponsored organizations. Disciplinary probation can also include assigned counseling sessions, educational activities, and/or community service hours relating to the violation. Failure to complete any assigned counseling sessions, educational activities, and/or community service hours in the manner prescribed by the disciplinary committee will result in further disciplinary action.

Appendix III: ALCOHOL & DRUG USE (Continued)

2) **Disciplinary Suspension** - For a fixed period of time the student may not remain on nor visit the campus to participate in any academic or other activity. A student who has been suspended for disciplinary reasons must petition for readmission at the conclusion of suspension. Readmission to the College may require the completion of assigned counseling sessions, educational activities, and/or community service hours.

3) **Disciplinary Expulsion** - The student is denied the right to participate in any academic or other activity for an unspecified period of time. In addition, the student may not remain on nor visit the campus for this unspecified period of time. Only under the most unusual circumstances will a dismissed student be readmitted to the College. Readmission to the College may require the completion of assigned counseling sessions, educational activities, and/or community service hours.

Amnesty will be looked at with students who are actively seeking help and have initiated contact with a Resident Assistant (RA), Director of Student Affairs, or other college faculty or staff. A student who does seek help will not have Disciplinary Action taken but will be required to go through counseling on campus or must seek outside services. The Disciplinary Committee still may impose reasonable and applicable expectations for students involved in representing the school (i.e. traveling ministry teams, athletics, or any other student organizations).

Appendix IV: BEHAVIORAL STANDARDS

The behavioral standards of Randall are either specifically outlined in Scripture or drawn from Scripture for the benefit of the University community. It is assumed that the individual who voluntarily joins the Randall University community will participate constructively in the life of the University, observing the rules and aiding in any way the purpose of the University.

Therefore, the student agrees to accept the responsibility of maintaining a Christ-like lifestyle, on and off campus, and demonstrates cooperation in adhering to the expectations of the University as they relate to behavior and discipline. The University may initiate disciplinary action and more investigation for misconduct that occurs, either on or off campus, when the student is in violation of policies that do not reflect Christian principles or reflect highly of Randall University.

Any student who does not comply with the behavioral standards set forth by the University will be subject to immediate disciplinary measures, and even expulsion.

Additional and/or more intensive requirements can be assigned to students by respective supervisory personnel in specialized programs to which students have applied or enrolled.

Appendix IV: BREACH OF PEACE

Breach of Peace is defined as an action, which disrupts the peace, such as loud music in campus housing or in vehicles on campus, or endangers the safety, health, rights, or life of any person, and an activity, which incites others to such actions. Students who engage in such activities will be subject to disciplinary action. Disruptions of the functional processes of the College by individuals and/or organizations will not be permitted.

Offenders will be advised by a University official that the activity is an abridgment of College regulations and will be instructed to cease the activity immediately. The student I.D. may be requested and offenders who do not have such identification may be considered non-students and may be charged appropriately. A student suspended or dismissed resulting from a breach of peace charge may file an appeal with the Office of Student Services. Failure to file an appeal within ten (10) calendar days will be considered as compliance with the disciplinary decision.

Appendix IV: COLLEGE CITIZENSHIP

All students are expected to maintain high standards of moral conduct and concern for the wellbeing and rights of fellow students. Disciplinary action is a consequence of the violation of University regulations; however, the University may initiate disciplinary action for misconduct that occurs off-campus when the student is in violation of federal, state, or local laws or College Policies, and which materially and adversely affect others. Penalties for violations of College standards of behavior include but are not limited to, the withholding or denial of academic credit or degrees or other benefits or rights provided by the College.

Students are expected at all times to adhere to standards of public and private behavior consistent with the philosophy and purposes of the College and with state and local laws.

Appendix VI: COMPLAINTS

Students who believe they have been treated unfairly or have a grievance should see the Director of Student Affairs. Appendix XV: HAZING

Randall University is committed to the intellectual, physical, moral, spiritual, and social development of its students. Campus organizations should emphasize the development of unity and respect for the dignity and worth of each student.

The College maintains a strict policy that prohibits hazing, including any activity that may recklessly or intentionally endanger the mental or physical health or safety of the student for the purpose of initiation or admission into or affiliation with any University sponsored organization. Individuals or organizations persisting in hazing activities as defined by the guidelines shall be subject to disciplinary action. Willful participation in hazing activities by the pledge shall not relieve the organization or its members from disciplinary action by the College. It is the responsibility of the student and/or organization to be fully aware of and adhere to the hazing guidelines.

In accordance with Oklahoma Statutes, Section 3 of Section 1190, Title 21, the following activities shall be considered hazing, and thus are prohibited from inclusion in organizational activities. The activities shall include, but are not limited to:

1. Road trips, which generally are defined as activities in which students are transported from the campus to engage in various activities, and, in some instances, are required to return to campus by walking;
2. A requirement that students wear clothing which obviously deviates from the normal apparel worn by students, i.e. sleepwear, “geek/nerd” clothing, dirty/unwashed clothing etc.;
3. Strenuous physical activity, which resembles calisthenics or other forced physical exertion that may result in physical injury;

4. Forced consumption of food items or beverages;

Violations of hazing guidelines shall be reported to the sponsor, who shall make the initial attempt to resolve the alleged conflict. If the matter is not resolved satisfactorily, the student reporting the matter and/or sponsor shall inform the Director of Student Affairs of the situation and he/she shall resolve the matter through the disciplinary process.

Appendix XVI: HOUSING (Dorms and Apartments)

A long-standing tradition of Randall has been the provision of a residential campus. Research has revealed if students remain in campus housing they are more likely to complete their College education, participate in campus activities, adjust to social situations better, develop lifelong friendships, as well as enjoy their College experience.

For this reason, Randall requires all unmarried students to reside in university housing except those who: 1) reside with parents or immediate family; 2) have attained the age of 21; 3) have attained junior status (64 hours); 4) have completed a Sophomore housing exemption form.

Students may request permission to reside off campus by completing a “Request to live OffCampus Form,” which must be approved by the Director of Student Affairs. For questions concerning room changes, contact your respective Resident Assistant.

- All dorm rooms are subject to inspection or search by the Director of Student Affairs, Student Life Coordinator, Resident Assistant, Resident Life Coordinator, Dean of Students, or any College Administrator at any time.
- No painting of the rooms or applying glue adhesive wall paper.
- Each student is required to have his/her own room key. If a key is lost it must be reported to the Resident Assistant, and the student will be charged \$25 for the replacement.
- It is the responsibility of each student and his/her roommate to clean the room. If the room is not up to the expectations of the Student Life Coordinator, actions will be taken to all who occupy the room.
- Female students are allowed to be in Yandell Lounge during specified common lobby hours (See Visitation Policy). Female students are not allowed to be in any of the male

rooms. Students not complying with this policy could be asked to leave the University immediately.

- Male students are not allowed to be in any of the female dorm lobbies or rooms. Students not complying with this policy could be asked to leave the University immediately.

Each resident must observe the following procedures when vacating a residence hall or campus apartment:

2. Return all keys and ID cards to the Resident Assistant.
3. Have a member of the residence hall staff inspect the room at the time of departure.

There must be at least three people (at least two of the same gender) present during visitation hours. It is prohibited in the residence halls or apartments to have one female and one male in a room at any time during the day.

Visitation hours are from 12 pm-12 am Sunday-Thursday and 11 am-1 am Friday and Saturday.

If visitation hours are broken a citation may be assessed and there may be a probation period where no visitation is allowed. Compliance is necessary to ensure an environment for academic success.

Exception: Please notify your RA if someone of the opposite gender needs to stop by for a brief visit or assist with move-in or move-out periods in any of the residence halls or apartments.

KEYS TO GOOD ROOMMATE RELATIONS

Roommates play an important role in university life. Students' relationships with their roommates will affect how they deal with others in daily living. Start out on the right foot and take time to get to know your roommate. Discuss key issues that are important to you and be interested in his/her concerns. Students should also take time to listen and humbly be sensitive to a roommate's needs.

A few more suggestions:

- Allow roommate to be his/her own person
- Don't hesitate to show little acts of kindness
- Always communicate! Roommates shouldn't have to second guess each other.
- Finally, don't be afraid to disagree. Differences and disagreements between any two people are natural.

Appendix XVII - OFF-CAMPUS ACTIVITIES

Students who attend any Randall activity, on or off campus, as participants or observers, are expected to abide by the general policies related to on- campus activities.

Appendix XIX: PARENTAL INVOLVEMENT

Randall believes that as a matter of Biblical principle the parent or legal guardian should be involved in the educational process of the student. At the same time, the University seeks to protect the privacy of the student as guaranteed by the *Family Education and Privacy Act of 1974*, as amended. The following policies will apply:

- A. The College will provide information concerning major misconduct and disciplinary action taken, to the parent or legal guardian of single students who have not yet attained the age of 21 years provided that the student is legally dependent upon the parent or legal guardian.
- B. Students who are married, 21 or older, or who are legally independent may request in writing that information be provided to parents or guardians.

Appendix XX: PARKING

Automobiles must be registered with the Admissions Director located in the Administrative Building (John H. West Building). Drivers are to observe parking regulations as described by posted signage and as indicated by “NO PARKING” yellow and red curbing.

The parking lot on the south side of the Learning Resource Center (LRC) and the parking lot between the John H. West Building and the gym, is for faculty, staff, seniors and handicapped persons.

The remaining perimeter parking is open for all students and guest. Students who violate parking regulations will be ticketed. Tickets are recorded with the Bursar and may affect transcript and tuition status if not paid.

Appendix XXI: PETS, SERVICE AND SUPPORT ANIMALS:

Except as noted above, student and their guests are not permitted to bring dogs, cats or other pets inside any university buildings, including residence halls, classrooms, and other academic or administrative facilities.

Pets are permitted outside on campus grounds when leashed and properly attended. No animal may be left tied to trees or other objects on campus. In all cases, the owner of the animal is responsible for its behavior and any damage caused by the animal.

Service and emotional support animals are allowed ONLY when approved by the University. All necessary paperwork, evaluation, and authorization forms required by the University must be completed PRIOR to the animal's arrival on campus. Please contact the Accommodations Coordinator at 405-912-9471 or the Director of Student Affairs at 405-912-9463 for more information.

Appendix XXI: PUBLIC DISPLAY OF AFFECTION (PDA)

University life can be a time for special relationships to develop, however, it is important to remember that our campus is a public place for educational, spiritual, and personal growth. Public Display of Affection (PDA) is permitted on campus as long as it is appropriate, nonsexual and brief.

On the other hand, inappropriate public displays of affection, such as kissing and hugging for long periods, unacceptable touching, and/or touching another person of a sexual nature, in academic areas, lounges, the student center, bathrooms, poorly lit areas, and anywhere in a public setting on campus, can make others feel uncomfortable.

Inappropriate public displays of affection are disruptive to the Christian community and may violate sexual harassment policies and laws. Additionally, such activities, whether or not they are consensual, are not appropriate to be conducted on university property. The University has strict policies in place to ensure the safety and well-being of all students and staff, and any violation of these policies will result in disciplinary action.

It is important to be mindful of our actions and how they may affect those around us. Therefore, it is important to be respectful of others and to maintain a professional and educational atmosphere on campus.

Appendix XXII: SEXUAL MORALITY

The University is subject to the Biblical belief system of our founding body, Free Will Baptists. In order to clarify, Free Will Baptists have defined their historic Christian position on Biblical Marriage:

Biblical Marriage Statement: Adopted by the National Association of Free Will Baptists in July, 2008.

Both Scripture and nature as designed by God affirm the lifelong, covenantal union of one man, being male as created by God, and one woman, being female as created by God, in a oneflesh relationship. This one-flesh relationship is emblematic of the union of Christ and His church. It is the sole and beautiful context of the divine plan for the marital relationship of man and woman as image-bearers of God, as well as the foundation for the family as the basic, divinely ordained unit of human society. Violations of this one-flesh union, whether heterosexual or homosexual, premarital or extramarital, contravene the divine plan for the family and for the conception and rearing of children, bringing spiritual despair, guilt, and death to individuals and cultures. Genesis 1:26-28; 2:18, 20-25; Exodus 20:14; Deuteronomy 5:18; Matthew 19:4-6; Romans 1:18-32; 1 Corinthians 7:1-5; Ephesians 5:21-33; 1 Thessalonians 4:3-5; Hebrews 13:4.

Appendix XXII: SEXUAL MORALITY (Continued)

For the religious reasons mentioned above, Randall University is exempt from certain civil rights laws including portions of Title IX. Failure to comply with the university's sexual morality policy will result in disciplinary action. Below is a list of some of the practices that directly violate policy:

- ***PRE-MARITAL SEX***

Sex outside the boundaries of Biblical marriage (Gen. 1:27, 2:24; Matt. 19:4- 6) is strictly prohibited and will result in immediate disciplinary action. "Sex" is here understood as including sexual intercourse, oral sex, and/or any form of inappropriate sexual touching of another's anatomy.

- ***HOMOSEXUALITY***

The University will not tolerate homosexual activities or the promotion of homosexuality within its jurisdiction. Admission or detection of homosexual practices or advocacy by a student will result in dismissal from the College. Because the Bible teaches that homosexuality is a sin (Lev. 18:22, 20:13; Romans 1:25-32; I Cor. 6:9) and because we accept the Bible as the Word of God, Randall University does not consider a homosexual lifestyle to be an acceptable pattern of

human behavior. Randall University reserves the right to require the withdrawal of any student identifying as homosexual, gay, lesbian, bisexual, or transgender. Students who struggle with homosexual thoughts or behaviors but do not identify as homosexual, gay, lesbian, bisexual, or transgender (meaning the student does not regularly practice or want to continue this lifestyle) will be given the option to attend counseling either administered or set up by the University.

- **PORNOGRAPHY**

In Matthew 5:27-28 Jesus gives the following teaching about having a lustful eye,
“Ye have heard that it was said by them of old time, Thou shalt not commit adultery: But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.”

We believe that the underlying principle of this text has application for the problem of pornography. Possession, purchase, distribution and/or use of pornographic materials are strictly prohibited on campus and College related off- campus activities. “Pornographic” is here defined as any material that presents males or females in sexually explicit, seductive, or suggestive manner (nude photos, “soft” or “hard” pornography, etc.) Pornographic materials would include photos, drawings, posters, videos, magazines, books, internet viewing, etc.

- **TRANSGENDER**

The university reserves the right to require the immediate withdrawal of students who identify as transgender/trans, bigender, transition, transsexual, or any other type of gender confusion that alters the birth sex.

Appendix XXIII: SEXUAL HARASSMENT

Randall University is committed to maintaining a safe and professional educational environment in which students and faculty are not subjected to sexual harassment. The College does not tolerate actions and/or words which are regarded as sexual harassment or sexual violence against any student or college employee.

Sexual harassment is unwelcome conduct of a sexual nature. It can be verbal, visual, physical, or communicated in writing or electronically. Although sexual harassment may violate state or federal law, Randall University may consider conduct to be sexual harassment even though it may not rise to the level of illegal sex discrimination.

Sexual harassment includes but is not limited to the following:

- Unwelcome sexual advances
- Requests for dates or sexual favors
- Unwelcome physical contact of a sexual nature
- Sexual violence (such as rape or assault)

- Continued or repeated verbal abuse of a sexual nature, such as suggestive comments and sexually explicit jokes that are considered offensive by the other individual
- Human Trafficking
- Sexually degrading language used to insult another person
- Remarks of a sexual nature used to describe a person's body or clothing. This includes comments about an individual's body or appearance that go beyond a mere compliment, including off-color jokes that are clearly unwanted and considered offensive by the other individual.
- Fostering a work or academic environment that is intimidating, hostile, or offensive because of unwanted sexually oriented conversation, suggestions, requests, demands, physical contacts or attention
- Public display of sexually oriented pictures, drawings, or calendars
- Offensive physical contact such as unwelcome touching, pinching, or brushing against the body of another person
- Actions or words which indicate that benefits will be gained or lost based on one's response to sexual advances
- Disseminating false information about a person's sexual conduct
- Making false accusations against another person regarding sexual harassment

Appendix XXIII: SEXUAL HARASSMENT (Continued)

Sexual harassment may be committed by one student against another student, by a faculty member or other employee against a student, or by a student against a faculty member or other employee. Because members of the faculty and administration of the college hold positions that involve the legitimate exercise of power and authority over others, they should exercise care in the use of that power and authority. It is the responsibility of members of the faculty and administration to ensure that their conduct and words cannot reasonably be perceived as sexually coercive, abusive, or exploitative.

Retaliation

Randall University does not tolerate any form of retaliation against any student or employee who may file a complaint or participate in the investigation of any accusation of sexual harassment.

Any attempt to penalize or retaliate against such a person will be considered a separate violation of this policy and will be dealt with according to the established policy.

Sanctions

Randall University may take a variety of disciplinary actions against those found to have engaged in sexual harassment depending on the severity of the violation. This may include expulsion or termination of employment.

Criminal Complaint Procedure

Sexual harassment may constitute a violation of the laws of the state of Oklahoma, and the complainant must decide whether or not to file a criminal complaint. Any student, prospective student, or employee who wishes to file a criminal complaint alleging sexual harassment should call 911 or contact the Police Department of the City of Moore, Oklahoma. The non-emergency number is 405-793-5171.

Institutional Complaint Procedure

Any student, prospective student, or employee may file a complaint of sexual harassment with the college. The following people have been designated to handle inquiries regarding Randall University's policy on sexual harassment.

Appendix XXIII: SEXUAL HARASSMENT (Continued)

Any student, prospective student, or employee who believes that he/she has been the victim of any type of sexual harassment should contact in writing: Executive Vice President, P.O. Box 7208, Moore OK 73153. In the event that the Executive Vice President is involved in the accusation of sexual harassment, the complainant should contact: President, P.O. Box 7208, Moore OK 73153.

The complaint should describe the date and time, persons involved, place, and circumstances surrounding the incident. The complaint should be signed by the complainant.

All complaints will be promptly, thoroughly, and impartially investigated and decided within 60 days. The complainant's identity may be kept confidential, but such confidentiality may limit the investigation. The complainant will be kept informed in writing at each stage in the investigatory process. That is: 1) acknowledgement of receipt of the complaint, and 2) report of the findings of the investigation.

If the complainant is not satisfied with the resolution of the complaint, he/she may appeal to the Randall University Board of Trustees.
